

The background of the slide is a photograph of a mountain range at sunset or sunrise. The sky is filled with clouds in shades of orange, yellow, and purple. The sun is low on the horizon, creating a bright glow. The mountains in the foreground are dark and silhouetted against the lighter sky.

## Surpabing Love Grace:

**Gospel-Centered Idolatry** R L Coursey, 2022-10-18 Thomas Chalmers in his classic sermon entitled *The Expulsive Power of a New Affection* correctly ascribes subjective power to subjective affections for love does have an expulsive power whether one loves God to the despising of self or loves self to the despising of God But he incorrectly sides with objective justification full pardon and gracious acceptance as the power that creates love and the engine that empowers sanctification He is right to suggest that a new affection has expulsive power but wrong to suggest that the source and power of a new affection is primarily in the indicative benefits Jonathan Edwards on the other hand sided with regeneration for the obvious reason that without a new nature the natural man can only be constrained by outside considerations the indicatives to superficially walk in newness of life the imperatives Such considerations might produce change that rises as high as the outward performance of the Legalist but it is still only the superficial height that self love alone can achieve The Spirit's work of illuminating the higher glory and beauty of Christ to the soul is the only source of an affection that can be called new If the expulsive power of a new affection does not dethrone self as one's primary concern in life and theology then what exactly is being expelled by the power of the gospel If one's religion does not surpass one's primary concern for what's in it for oneself then one's self love may have an expulsive power but it will be the light of the glory of God in the face of Christ Jesus that is expelled by the power of self love The irony of the cross was that Christ was crucified by those who already had a knowledge of God's steadfast love and rejoiced in spiritual privileges The proper force and source behind the believer's love for God is not found in the objective benefits as they reflect upon the believer's high privileges but God's power alone as it is exerted in the soul by the Spirit imparting a new heart new affections and a new principle of action that did not exist prior Good fruit is produced only by a good tree and however constrained by outside forces a bad tree cannot be manipulated to produce fruit contrary to its nature *Christ-Centered Sermons* Bryan Chapell, 2013-10-15 Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling *Christ-Centered Preaching* This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in various types of sermons and various genres of the Bible The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes helping readers move from theory to practice In essence the book allows students and preachers to look over Chapell's shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments **The Glory of the Redeemer in His Person and Work** Octavius Winslow, 1844 **Theo-Drama** Hans Urs Von Balthasar, 2013-07-01 The third volume of *Theo Drama* is considered the most central book of Fr von Balthasar's entire theological project Structurally it is the middle volume of the middle part of his theological trilogy *Glory of the Lord* *Theo Drama* and *Theo Logic* More significantly it contains von Balthasar's synthetic treatment of the central mysteries of the Catholic Faith Christ Mary the

Church man and the Trinity The various elements of von Balthasar's theological reflection converge here and here as nowhere else one can find the systematic elaboration of his Christology Mariology ecclesiology anthropology and trinitarian doctrine It is both a one volume compendium of this theology and a key to his trilogy and other writings *Modern hagiology [by J.C. Crosthwaite]*. John Clarke Crosthwaite, 1844 **'Troilus and Criseyde'** Jenni Nuttall, 2012-06-21 A scene by scene reader's guide to Geoffrey Chaucer's Trojan War poem specifically designed for student readers *The Holy Word for Morning Revival - Crystallization-study of 1 and 2 Samuel, Volume 2* Witness Lee, Watchman Nee, 2022-01-02 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the semiannual training held December 20-25 2021 on the Crystallization study of 1 and 2 Samuel Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ *The Quiver*, 1897 V 12 contains The Archer Christmas 1877 **Encounter with God's Love** Keith Beasley-Topliffe, 1998 *A Memoir of the Late Mr. William Gadsby ...* John Gadsby, 1844 *The Quarterly Journal of Prophecy*, 1869 **The Ministry, Vol. 12, No. 05** Various Authors, 2008-05-01 This issue of The Ministry contains the final eight messages given during the 2006 fall term of the full time training in Anaheim California The general subject of this series of messages is entitled The Reality of the Body of Christ The Body of Christ is crucial in relation to God's economy In short God's economy is to constitute us with Christ and thereby make us the same as Christ in life nature and expression Therefore God's goal is the Body of Christ which is simply the enlargement increase duplication and reproduction of Christ God in His economy wants us to experience Christ and be filled with Christ in our daily lives yet His ultimate goal is to gain the Body of Christ for His expression and dominion Furthermore His Body is also His bride for His satisfaction in love We need to be infused with a burden concerning the reality of the Body of Christ and we need to become the Body of Christ in reality in order to hasten our Lord's return Last of all we include a report concerning the recent international conference in London England In addition we include a letter from the Russian speaking churches to all the churches in the Lord's recovery *A Devout Commentary on the Epistle to the Ephesians* Bertrand Arthur Henry Wilberforce, 1902 **The Indispensable Jesus** Doug Martin, 2011-08-17 The Indispensable Jesus was the catalyst for all that followed It points to Jesus personal qualities and qualifications which make Him indispensable He was genuine and unique truly God and truly man In this study many descriptive titles are lifted from Scripture and discussed in detail with the practical purpose in mind of meeting human needs Author Douglas Martin shares stories of intelligent honest people who were influenced by the evidence to place their faith in Jesus We struggle for faith and reality because we tend to forget the already finished accomplishments of Jesus This is the heart of the book It becomes a simplified New Testament theology A friend with two doctorates encouraged me to put into book format what I had written as separate pamphlets If theological terms are used they are explained becoming spiritual and giving meaning to the gospel

without making it complex Stories from today are windows through which we can view the life of Jesus and His influence The hopeful outcome for readers will be that spiritual food available for intellectual giraffes will be enjoyed by the sheep of His pastures The final section contains our responses to the lover of our souls While it is important to see that the mind matters so that Jesus makes sense it is likewise important to accept the fact that truth is only truly effective when it is internalized when we treasure it in our hearts That is what part three encourages us to do What becomes routine is lost but that which resides in the heart nourishes our spirits and makes life meaningful and enjoyable It is meant to cheer the heart of readers

**Hans Urs von Balthasar on the Spiritual Exercises** Hans Urs Von Balthasar, 2019-05-20 I would like one day Hans Urs von Balthasar wrote in 1952 to write a book on Ignatius of Loyola the saint of whom I will always consider myself the least of sons The Jesuit formed theologian from Switzerland widely considered one of the greatest thinkers and spiritual writers of modern times never got the chance to fulfill this dream Instead Balthasar's whole theology from *Theo Drama* to *Dare We Hope That All Men Be Saved* is imbued with the influence of Saint Ignatius founder of the Society of Jesus and author of the *Spiritual Exercises* a multi week retreat guide that has rejuvenated Catholic spirituality since the sixteenth century Throughout Balthasar's priestly life he led countless retreatants in the Ignatian Exercises accompanying them in their discernment of God's call This anthology is an aid for those either giving or making an Ignatian retreat Full of citations and equipped with four indexes as well as many texts never before translated into English it sifts Balthasar's writings for insights into almost every element of Ignatius' libretto sometimes diving into themes scarcely explored by others Moreover it maps out those hidden strains of Jesuit spirituality that run unnoticed through the theologian's oeuvre Yet the book may help anyone at all who wants to engage more deeply with Jesus or come to grips with Church doctrine for as Balthasar himself says the *Spiritual Exercises* are both a great school of Christocentric contemplation and a genuine interpretation of the deposit of the faith

*The Biblical Theology of Saint Irenaeus* John Lawson, 2006-02-21 Is the history of the early Church the story of a movement away from the religion of the New Testament into Hellenic speculation institutionalism and bare moralism Many present issues are affected by the judgment made upon this matter which the author seeks to illuminate in his Cambridge Dissertation There is in St Irenaeus a doctrine of Creation and Revelation by The Two Hands of God and likewise Recapitulation and exposition of the Saving Work of Christ The claim is here advanced that of these doctrines the former is an expression of the Hebraic conception of the Living God who is transcendent yet immediately active in Creation and Revelation The latter is thoroughly Pauline and is a statement of the Classic theology of the Atonement Together with his necessary emphasis upon the Church and Episcopate Irenaeus has preserved the Gospel of real redemption by personal faith in Christ
