inspires some extremely talented musicians on the west coast of the USA to orchestrate a whole album of music about it That's intriguing From there I wrote my own narrative to the music and in time began contemplating more deeply about this complex tale of love betrayal and human destiny After reading many versions of this tale and looking at the archeological evidence from this time period in Northern Ireland a more complete story started to formulate itself in my mind Whether I wanted to or not it became apparent over time that I was bound by some unseen force to write this novel Here is the gist of the story A dark and powerful druid prophesizes that the most beautiful woman in the world will be born marry one of three highly admired young brothers in Ireland and eventually cause the downfall of the kingdom Instead of killing the baby when she was born the king decides to raise the girl and marry her on her sixteenth birthday to nullify the prophecy like that was going to work Well you can imagine no wait You don't have to just read the story *The Jaguar* T.
