Oscar Wilde set up a principle of selfishness and selflessness and he took the story to its top when God helped the main heroes of the story. The language in which the fairytale was written is simple even though every single word is wisely picked. Oscar Wilde is the one leading the storytelling and introducing the readers into the plot. The whole fairytale is filled with hidden messages and because of that, **The Happy Prince and Other Tales** is a book you should read with a lot of attention.
