Under The Harvest Moon Gary Blinco,2015-01-29 A shadowy form moved in a crouch along the creek bank a stout club upraised and silhouetted against the sparkling surface of the stream It approached the forms of the man and the woman as they lay quietly on the rug in the moonlight near the water s edge The woman s head rested on the man s chest as he lay on his back as if in a deep sleep The blows from the club came quickly and viciously crushing the flesh and bone of the man s head and face and then the blows fell about the woman s head She did not stir as her head exploded like a ripe melon She fell sideways away from the man under the force of the attack her matted hair gleaming wetly in the moonlight The stillness of the night was broken

by the eerie sounds of the bush the lazy honking of the wild ducks the croaking of the frogs and the mopokes and the laboured breathing of the attacker The figure tossed the club into the creek before splashing into the water and swimming strongly to the far side Then it left the stream and moved briskly along the opposite bank heading north towards the bush track that passed by Brinkley s cottage In this his third novel Gary Blinco paints a graphic picture of coun try life as family conflict romance and murder unfold on the Darling Downs in a time of challenge and change during the first bulk wheat harvest in 1957 This book provides an entertaining read and works on three levels as history romance and mystery all in a competent way

Tomorrow We're All Going to the Harvest Leigh Binford,2013-01-02 From its inception in 1966 the Canadian Seasonal Agricultural Worker Program SAWP has grown to employ approximately 20 000 workers annually the majority from Mexico The program has been hailed as a model that alleviates human rights concerns because under contract SAWP workers travel legally receive health benefits contribute to pensions are represented by Canadian consular officials and rate the program favorably Tomorrow We re All Going to the Harvest takes us behind the ideology and examines the daily lives of SAWP workers from Tlaxcala Mexico one of the leading sending states observing the great personal and family price paid in order to experience a temporary rise in a standard of living The book also observes the disparities of a gutted Mexican countryside versus the flourishing agriculture in Canada where farm labor demand remains high Drawn from extensive surveys and nearly two hundred interviews ethnographic work in Ontario destination of over 77 percent of migrants in the author s sample and quantitative data this is much more than a case study it situates the Tlaxcala Canada exchange within the broader issues of migration economics and cultural currents Bringing to light the historical genesis of complementary labor markets and the contradictory positioning of Mexican government representatives Leigh Binford also explores the language barriers and nonexistent worker networks in Canada as well as the physical realities of the work itself making this book a complete portrait of a provocative segment of migrant labor
