The Herne's Egg:

The Herne's Egg William Butler Yeats, 1991 Written during a period of illness in 1935-1936 Yeats's play combines frank sexual content with bizarre imagery from the Indian and tribal Irish traditions **The Herne's Egg** William Butler Yeats, 1938

Healing Fictions Alison Armstrong, 2019-01-24 The virtual realities that works of literary and visual art provide us are loosely the concern of these essays Working methods are touched upon in some as in my interviews with William Anastasi and Robert Kipniss The intentionality of the artist however is never my concern nor should it be of interest to the reader the intentions cannot necessarily be derived from the work as the New Critics reminded us long ago Rather to see and feel how the text or work of visual functions is our pleasant task So we do not ask why a dead end question How is the question that can lead to infinitely more rewarding discoveries **The Variorum Edition of the Plays of W.B.Yeats**

W. B. Yeats, 2015-12-30 **The Collected Works of W.B. Yeats Vol II: The Plays** William Butler Yeats, 2010-05-11 The Collected Works of W B Yeats Volume II The Plays is part of a fourteen volume series under the general editorship of eminent Yeats scholars Richard J Finneran and George Mills Harper This complete edition includes virtually all of the Nobel laureate's published work in authoritative texts and with extensive explanatory notes The Plays edited by David R Clark and Rosalind E Clark is the first ever complete collection of Yeats's plays that honors the order in which the plays first appeared It provides the latest and most accurate texts in Yeats's lifetime as well as extensive editorial notes and emendations Though best known as one of the most important poets of the twentieth century from the beginning of his career William Butler Yeats understood the value of his plays and his poetry to be the same In 1923 when he accepted the Nobel Prize for Literature Yeats suggested that perhaps the English committees would never have sent you my name if I had written no plays if my lyric poetry had not a quality of speech practiced on the stage Indeed Yeats's great achievement in poetry should not be allowed to obscure his impressive and innovative accomplishments as a dramatist In The Plays David and Rosalind Clark have restored the plays to the final order in which Yeats planned for them to be published This volume opens with Yeats's introduction for an unpublished Scribner collection and encompasses all of his dramatic work from *The Countess Cathleen* to *The Death of Cuchulain* The Plays enables readers to see clearly for the first time the ways in which Yeats's very different dramatic forms evolved over the course of his life and to appreciate fully the importance of drama in the oeuvre of this greatest of modern poets

The Lonely Tower Thomas Rice Henn, 1950 **W.B. Yeats and Indian Thought** Snezana Dabic, 2016-11-14 This book presents an in-depth study of the influence of Indian philosophical and religious thought on W B Yeats's poetic and dramatic work It traces the development of this influence and inspiration from Yeats's early impressionistic work to the mature and elaborate incorporation of Indian ideas into the structure, themes, and symbolism of his writing It recognizes the importance of his Indian friendships, Indian essays, and shows the limits of his Indianness While providing a comprehensive analysis of Yeats's poetry and his bizarre poetic play *The Herne's Egg* from an Eastern perspective the book examines how

Indian philosophical concepts guided Yeats in constructing his characters imagery and symbology and in shaping the structure of his dramatic narrative Yeats's liminal positioning between Orientalism and Celticism Irish nationalism and British imperialism and his heterogenous literary aspirations and modernist poetic idiom are probed and explored in order to position him on a pendulum of postcolonial debate The focus in this book is on the aesthetic appreciation of the parts of Yeats's creative opus where he engaged with Eastern thought with genuine interest and enthusiasm when the pendulum swings towards Yeats being a mythopoetic and anticolonial writer **Theatre of Aristocracy** Ashley E. Myles,1981 **Annual Report of the Minnesota State Agricultural Society for the Year ...** Minnesota State Agricultural Society,1888

Annual Report of the Minnesota State Agricultural Society Minnesota State Agricultural Society,1888 Executive Documents of the State of Minnesota for the Year ...
