**The Hide** Barry Unsworth, 2025-04-25 This early work by the Booker Prize winning author Barry Unsworth chronicles one of his literary obsessions the corruption of innocence and forms it into a compelling contemporary narrative set in the rambling overgrown grounds of an English estate There relying on his rich sister Audrey s beneficence Simon obsessively digs a secret system of tunnels from which to spy on others When Josh a good looking naif becomes a gardener at Audrey s home the two women of the household Audrey and her distant relative and housekeeper Marion find Josh s strength and seeming innocence a potent spell and his response escalates unacknowledged tensions between them Meanwhile Simon worried about Josh takes steps to prevent the exposure of his underground labyrinth The explosive chemistry between the characters will eventually rip apart and rearrange all their lives

**In the Hide** Gordon Buchanan, 2025-02-06 Our estate was built on land claimed from fields we were at the foot of those rolling Kilpatrick hills but over the roof of the school you could see more green fields and woods I felt grateful to be on the edge of all that countryside there was a magnetic pull towards what I thought that wild was or could be One day I m going to walk to those hills and woods I d think to myself Soon it would become a sanctuary Gordon Buchanan is probably the best known natural history cameraman the BBC has ever produced From wild snow wolf packs in Ellesmere and polar bears in Svalbard to leopards in Mumbai and equine therapy in Mongolia he has filmed in the world s most far reaching places for over 30 years His dedication to his craft means he often spends weeks inside a cramped camera hide tolerating extreme sleep deprivation and poor living conditions all in search of that one extraordinary shot But dangerous animals were not the only thing he was hiding from In the Hide is Gordon s emotionally honest and raw account of a challenging childhood in Dumbarton and on Mull and the escape and solace he found and continues to find in the natural world around him An intimate and inspiring account of resilience in the face of hardship In the Hide marks the arrival of a bold new voice in nature writing
