The Higher Education Of Women 1866:

The Higher Education of Women Emily Davies, 2010-09-23 A discussion of contemporary opinions concerning female education first published in 1866 together with two other feminist pamphlets The Higher Education of Women (1866) Emily Davies, 1988 **Contributions Towards a Bibliography of the Higher Education of Women. Compiled by a Committee of the Association of Collegiate Alumnae** Mary Harris Rollins, 1897 **Contributions towards a bibliography of the higher education of women** Association of collegiate alumnae, 1897 *Contributions Towards a Bibliography of the Higher Education of Women* Mary Harris Rollins, 1897 The Broadview Anthology of Victorian Prose, 1832-1901 Mary Elizabeth Leighton, Lisa Surridge, 2012-08-20 The Victorian era witnessed dramatic transformations in print culture and this new anthology covers the exciting intellectual and social debates of the period From first person accounts of the lives of factory workers to Oscar Wilde's aesthetic theory and from narratives of British travelers in Africa and Asia to Havelock Ellis's theories of sexual inversion the surprising diversity of nineteenth century nonfiction writing is represented Illustrations from Victorian periodicals provide a vivid sense of the original reading experience The book's thematic organization emphasizes the social and historical contexts of prose writings as well as the way in which these writings address each other In addition to a general critical introduction the anthology features new thematic introductions by experts in the field **Publications of the Association of Collegiate Alumnae** American Association of University Women, 1897 Includes the Association's Register A Historical Dictionary of British Women Cathy Hartley, 2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings and politicians mistresses ladies in waiting and society hostesses Originally published as *The Europa Biographical Dictionary of British Women* this newly reworked edition includes key figures who have died in the last 20 years such as The Queen Mother Baroness Ryder of Warsaw Elizabeth Jennings and Christina Foyle *The Americana* Frederick Converse Beach, George Edwin Rines, 1912 **The Americana**, 1911 **The Encyclopedia Americana** Frederick Converse Beach, Forrest Morgan, George Edwin Rines, E. T. Roe, Nathan Haskell Dole, Edward Thomas Roe, Thomas Campbell Copeland, 1903 *The Dictionary of National Biography* Leslie Stephen, Sir Sidney Lee, 1927 **Catalogue of the Free Public Library**, 1881 *Public Examinations in England 1850-1900* John Roach, 1971-07-02 A detailed historical account of the origins of the modern examination system in England from 1850 to 1900 At the beginning of the nineteenth century public examinations were almost unknown yet by its end they were established as the most generally acceptable method of assessment and selection with many they had become almost an article of the Victorian faith though their objectivity and efficacy were

already becoming matters of public controversy The Oxford and Cambridge honours examinations provided a major source for Victorian ideas of open competition and public examinations It was seen that this model could be applied to a whole range of educational and administrative purposes The crucial developments came between 1850 and 1870 major landmarks were the Northcote Trevelyan Report of 1853 on the Civil Service the foundation of the Oxford and Cambridge Local Examinations of 1857 and 1858 and Gladstone's introduction in 1870 of open competition into the Home Civil Service Emily Davies Emily Davies, 2004 Her intensely engaged life placed Davies at the very heart of the events that transformed her era
