J. J. Wilken,G. J. Fox,1978 This well designed book has the form of an antiquarian town history and was published in conjunction with the 100th anniversary of the British Cape annexation One of the authors is the Town Clerk and a pillar of the South African community a fact which makes the book a semi official centenary volume There are some demographic and economic statistics as well as chapters on local government and the development of the fishing industry The text also occasionally reveals original information such as the forced closure of the cold storage plant in the late 1950s to make South Africa the sole market and the only exporter of Namibia beef Eriksen Moorsom 1989 **The Grey Undercurrent** Felix Schürmann,2023-04-03 By extending their voyages to all oceans from the 1760s onward whaling vessels from North America and Europe spanned a novel net of hunting grounds maritime routes supply posts and transport chains across the globe For obtaining provisions cutting firewood recruiting additional men and transshipping whale products these highly mobile hunters regularly frequented coastal places and islands along their routes which were largely determined by the migratory movements of their prey American style pelagic whaling thus constituted a significant though often overlooked factor in connecting people and places between distant world regions during the long nineteenth century

Focusing on Africa this book investigates side effects resulting from stopovers by whalers for littoral societies on the economic social political and cultural level For this purpose it draws on eight local case studies four from Africa s west coast and four from its east coast In the overall picture the book shows a broad range of effects and side effects of different forms and strengths which it figures as a grey undercurrent of global history *Encyclopedia of Public International Law* Peter Macalister-Smith,Max-Planck-Institut für Ausländisches Öffentliches Recht und Völkerrecht,1992 Award **Encyclopedia of Public International Law** Max-Planck-Institut für Ausländisches Öffentliches Recht und Völkerrecht,1981 **Namibia Abstracts** ,1981 **Between the Atlantic and the Namib** Melinda Silverman,2004 *Journal* ,2004 *Works of Plenty, Works of History* Reginald Dorian Haarhoff,1989 *Journal of Third World Studies* ,1993 Consists of abstracts of selected papers from various conferences dealing with the third world and its problems **Library of Congress Catalogs** Library of Congress,1983 *Transport Development in Southern Africa* G.
