Behind the Baton Gerard Schwarz,Maxine Frost,2017-03-01 Amadeus To speak of Gerard Schwarz musician conductor festival organizer gig hopper educator television personality patron and proselytizer of the arts is to tell an exemplary American story You could convey it exclusively in cliches from his industrious emigre parents to his precocious childhood from his ardor and diligence as a prodigy trumpeter to his meteoric rise as a conductor from his unforeseen cross country migration to the gradual construction of a world class orchestra in a city formerly regarded as a cultural backwater from the halls of New York City s High School of Performing Arts to the digital instructor s chair of the All Star Orchestra s Khan Academy course series You could simply recite the numbers over 300 new works premiered over 350 recordings in his discography 14 GRAMMY nominations 4 Emmy awards six ASCAP Awards and hundreds of other honors and laurels You could dazzle and festoon and bewitch with talk of truth and beauty and the pursuit of ever higher forms of artistic expression Or you could tell it Jerry s way Behind the Baton is a quintessentially Schwarzian memoir intrepid forthright risible subtly self assured and entirely unpretentious It offers an intimate inside look at a man whose immense talent is rivaled only by his humility and work ethic a man who for nearly fifty years has strived to leave every orchestra and musician he touched better than when he found them Whether you re a classical music aficionado an orchestra initiate just cutting your teeth or an everyday reader interested in the remarkable story behind an extraordinary man Behind the Baton belongs on your nightstand
