Parrott, 2002      **You Can Hear the Voice of God** Steve Sampson, 2015-03-10 When you talk to God do you ever feel as if you are not getting through You're not alone At some point most believers find themselves grappling with difficult questions like Would God really talk to me personally and How do I know it's truly God talking and not my own thoughts But here's the good news Hearing God is simpler than you think It's possible to have a relationship with God that involves both speaking and listening In fact it's God's desire He wants to talk to you In this revised and expanded edition of a classic work author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice but expecting to hear it Sampson's uncomplicated practical perspective will help you cultivate the two-way conversation with God you've always longed for Before long you'll hear Him speaking into your circumstances and relationships expressing His love for you and showing you the next steps to take in your life Don't settle for a one-sided conversation with God Break through this barrier and develop a sensitive heart that hears and responds to God's still small voice With clarity and humor Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing Bishop Mark J. you     **The Resolution! Fan or Follower?** Donald Lefebvre, 2019-02-11 The Resolution is a challenge written to help Christians move from a fan to follower of Christ This is what I was challenged with years ago and after I took the steps laid out in this book my life changed I didn't understand Agape Love selfless love until I followed the path of RPLOL All I can tell you is that God has not made the process of becoming a follower hard The world has made it easy to be a fan If Christians are to be imitators of Christ how does that happen That is what this challenge is meant to do If you decide to take this challenge I am confident that your life will change but be warned The enemy who prowls about as a roaring lion will do his best to sidetrack you Stay focused on the goal diligent in your resolve and I believe you will be glad and blessed you did
