**The House on the Cliff** Victoria Scott, 2025-10-04 A BRAND NEW spell binding historical mystery of forbidden love and buried secrets from the bestselling author of *The Storyteller's Daughter* Perfect for fans of Evie Woods Kate Storey and Lucinda Riley On the wild Cornish coast love and loss echo through the halls of Hallows Abbey where the past refuses to stay buried 1966 Standing on the rugged Cornish coast Hallows Abbey can be a lonely place for the boys boarding there For Theresa however it offers an escape from her father's long shadow and as the school nurse she tries to be a comfort to those students struggling to adjust to their remote life But before the year is over Theresa will make a terrible decision and the consequences for the children in her care will change everything 2025 With her own children having just left home Amanda's emotions are in turmoil when she arrives at the isolated school where her husband is to be Deputy Head When she learns of the school's tragic history in which a group of boys went out on a boat trip and disappeared she becomes obsessed with finding out what happened even when her research risks upsetting the fragile equilibrium of the school But when she starts to hear voices in the gardens and crying in the halls at night she begins to wonder if she's losing her mind Only one thing seems certain this corner of Cornwall could well be Amanda's undoing Lose yourself in a spellbinding tale of whispers through time Perfect for fans of Kate Morton Barbara Erskine and *The Secret of Crickley Hall* Praise for Victoria Scott A fabulous twisty dual timeline with a hint of spooky season ghost story I loved it Rachel Burton The twists and turns revealed kept me turning pages way longer than I was meant to stay awake The way Meredith's mind gets confused as she learns more and more tugged at my heart and reading Ellen's experiences with her beau and how his mental health was essentially compartmentalised in an era when there wasn't much knowledge was heartwrenching Within the tale there are elements of the gothic tradition with old houses fog rising waters stormy weather and more The reader's pulse rate rises as we are committed to following the action I thoroughly enjoyed *The House In The Water* It consumed me from the start It was the first book by Victoria Scott but I certainly she she will write more Don't you love a dual time line novel I do and this one is exceptional I have read the author's earlier work and this is straying into much darker territory but I think it only serves to show what a great writer she is Atmospheric gripping with huge heart and impossible to put down the very best sort of book Beautiful captivating prose kept me totally engaged in both timelines Wonderful My first by this author but not the last This is definitely a spellbinding and unsettling tale with a dash of romance set in WW2 and 2013 that might haunt your dreams and leave you with a lot to think about A riveting read I was engrossed in the story from the start May Day House is a rehab house for soldiers during WWII They are cared for and sent back to war Years later a couple buys the house which soon appears to be haunted by the soldiers who had been there It is a great story **The House on the Cliffs, Etc** Rita COATTS, 1949 [The House on the Cliff](#) Dorothy Emily Stevenson, 1966 Elfrida Ware returns to the country after a career as a small part actress in London Soon her peace is shattered by visitors from her former world **Hardy Boys 02: the House**
