Marteilhe,1757 **Descriptive Catalogue of the Publications of the Presbyterian Board of Publication** Presbyterian Church in the U.S.A. Board of Publication and Sabbath-School Work,1888 **Barbary Captives** Mario Klarer,2022-03-11 In the early modern period hundreds of thousands of Europeans both male and female were abducted by pirates sold on the slave market and enslaved in North Africa Between the sixteenth and the early nineteenth centuries pirates from Algiers Tunis Tripoli and Morocco not only attacked sailors and merchants in the Mediterranean but also roved as far as Iceland A substantial number of the European captives who later returned home from the Barbary Coast as maritime North Africa was then called wrote and published accounts of their experiences These popular narratives greatly influenced the development of the modern novel and autobiography and they also shaped European perceptions of slavery as well as of the Muslim world Barbary Captives brings together a selection of early modern slave narratives in English translation for the first time It features accounts written by men and women across three centuries and in nine different languages that recount the experience of capture and servitude in North Africa These texts tell the stories of Christian pirates Christian rowers on Muslim galleys house slaves in the palaces of rulers domestic servants agricultural slaves renegades and social climbers in captivity They also depict liberation through ransom escape or religious conversion This book sheds new light on the social history of Mediterranean slavery and piracy early modern concepts of unfree labor and the evolution of the Barbary captivity narrative as a literary and historical genre *Slavery and the Penal System* J. Thorsten Sellin,2016-04-29 The classic and groundbreaking study of penal slavery throughout the ages is available again Previously a rare book despite the fact that it is widely quoted and cited by scholars in the field of sociology penology and criminology this book can now be accessed easily worldwide and be assigned again to classes Now in its fortieth anniversary edition Sellin s classic Slavery and the Penal System adds a new Foreword by Barry Krisberg at Berkeley This edition also incorporates changes the author originally planned for a second printing provided to Quid Pro Books by the Library Special Collections at Penn and authorized by his family Part of the Classics of Law Society Series from Quid Pro Books the anniversary edition also includes explanatory Notes of the Series Editor by Steven Alan Childress senior professor of law at Tulane University A book that has become a standard

part of the canon in its field but over time grew to be too expensive for researchers and libraries to obtain is now easily downloaded in a well formatted ebook Other features include linked Contents and notes fully linked and paginated Index and close reading of the text against the original so that its legacy is properly and accurately presented This book traces the direct and indirect influences of the social institution of chattel slavery on the evolution of penal systems and practices in Europe and the United States a dismal story The author reveals the darkest and most brutal aspects of penal history and the social forces that resisted or nullified the efforts of reformers who sought to bring about humanization of the punishment The book shows that domestic punishments inflicted on slaves by masters later become legal punishments for crimes committed by low class freedmen eventually to become legal sanctions against offenders regardless of social status A dominant force is the class and caste structure of society that is reflected in the determination of what conduct should be defined as criminal who should be punished and what the punishment should be Topics include ancient Greece and Rome the Middle Ages in Europe galley slaves and naval arsenal prisons in maritime countries penal creation of public works the rise of houses of correction invention of the treadmill practices in England and Russia slavery in the antebellum South and twentieth century U S chain gangs penal farms and convict lease system

A Companion to the Huguenots Raymond A. Mentzer, Bertrand Van Ruymbeke, 2016-02-02 The Huguenots are among the best known of early modern European religious minorities Their suffering in 16th and 17th century France is a familiar story The flight of many Huguenots from the kingdom after 1685 conferred upon them a preeminent place in the accounts of forced religious migrations Their history has become synonymous with repression and intolerance At the same time Huguenot accomplishments in France and the lands to which they fled have long been celebrated They are distinguished by their theological formulations political thought and artistic achievements This volume offers an encompassing portrait of the Huguenot past investigates the principal lines of historical development and suggests the interpretative frameworks that scholars have advanced for appreciating the Huguenot experience

Affairs of Humanity Catherine Arnold, 2025-11-25 A new look at the origins of humanitarian intervention We are encouraged to empathize with the suffering of distant strangers every day from ads for UNICEF to the outcry over Russia's invasion of Ukraine But where did this type of politics come from Historian and practicing barrister Catherine Arnold locates the religious origins of humanitarian politics in early eighteenth century Britain and Europe In the late seventeenth century British politicians argued for confessional intervention in other words for interventions to protect Britain's fellow Protestants in continental Europe By the 1740s however a cadre of high ranking British officials was advocating instead for a new form of humanitarian intervention using natural law inflected language to justify its claims Between 1690 and 1745 British officials intervened diplomatically to protect not only Protestants in France northwestern Italy and the Holy Roman Empire but also Jewish fugitives from Portugal Catholic dissidents in France and Jewish refugees in Bohemia Arnold shows that this new type of intervention was intended to stop states from torturing imprisoning or expelling their subjects and was justified with

humanitarian arguments British officials contended that state persecution that is using state authority to punish a subject only because of her religious beliefs violated natural law They asserted that Britain had a duty to prevent states from violating natural law and an ethical obligation to aid sufferers of all religious faiths out of common humanity **From a Far Country** Catharine Randall,2011 In *From a Far Country* Catharine Randall examines Huguenots and their less known cousins the Camisards offering a fresh perspective on the important role these French Protestants played in settling the New World The Camisard religion was marked by more ecstatic expression than that of the Huguenots not unlike differences between Pentecostals and Protestants Both groups were persecuted and emigrated in large numbers becoming participants in the broad circulation of ideas that characterized the seventeenth and eighteenth century Atlantic world Randall vividly portrays this French Protestant diaspora through the lives of three figures Gabriel Bernon who led a Huguenot exodus to Massachusetts and moved among the commercial elite Ez chiel Carr a Camisard who influenced Cotton Mather s theology and Elie Neau a Camisard influenced writer and escaped galley slave who established North America s first school for blacks Like other French Protestants these men were adaptable in their religious views a quality Randall points out as quintessentially American In anthropological terms they acted as code shifters who manipulated multiple cultures While this malleability ensured that French Protestant culture would not survive in externally recognizable terms in the Americas Randall shows that the culture s impact was nonetheless considerable **Catalogue of the Library of the Minnesota Historical Society** Minnesota Historical Society. Library,1888
