Films of Sam Peckinpah Neil Fulwood,2014-11-12 A

detailed look at the work of one of America's great film directors Sam Peckinpah helped to redefine the Western clearing the board of genre clichés in order to present an intelligent examination of the motivation behind and effects of violence. The accusations against Peckinpah for making violent films both Westerns and non Westerns for the sake of it as well as misogyny have become clichés themselves. Like their creator the men who walk or ride through Peckinpah's films are deep complex and often flawed. Technical accomplishment and the ability to draw out great performances from his actors are only part of what sets Peckinpah's Films apart. It is their depth and intensity that make them unique. This book takes an in depth look at the man his early work for television and all his films. It covers the critical reception of his films Peckinpah's approach to film direction his on set behaviour and studio interference during editing. An Appraisal of the iconography of his films plus an analysis of recurring themes and preoccupations show that his best work was the most personal.

Siegel, 2013-11-14 This is a comprehensive encyclopedia to the more than 100 radio programs portraying the American West in fact and fiction heard by generations of listeners from the Great Depression through the Cold War era. The book includes both the popular and lesser known series as well as would be offerings that never made it past the audition stage. Each entry describes the series the extent to which it was based on actual facts the audience it was written for and its broadcast history. The descriptions also examine how the programs reflected society's changing social and cultural attitudes towards racial and ethnic minorities and the role of women. The availability of surviving audio copies and original scripts is noted. An extensive bibliography and several appendices provide additional sources of information about Western programming during the Golden Age of Radio.
