The Hard Stuff Ana Hartnett, 2025-02-11 Hannah works for one of the biggest liquor brands in the Northwest and is eager to prove herself and get the promotion she has been owed for so long There s just one annoyingly gorgeous obstacle in her way the beloved local distiller Alexandra Lang Alexandra isn t afraid of a little competition Okay a lot of competition Everyone knows her distillery is an homage to her late father and she has the unwavering support of the whole community and tight knit bar scene Hannah s charming sales pitch endless legs and big city influence don t stand a chance Right Ambition and passion go head to head as they duel for bar placements local awards and overall support for their products But as sparks of friction and attraction fly Hannah begins to suspect there might be more to small town life and to Alexandra than she thought Looks like the liquor will be the least of the hard stuff

The Hard Stuff Wayne Kramer, 2018-08-14 The first memoir by Wayne Kramer legendary guitarist and cofounder of quintessential Detroit proto punk legends The MC5 Voyeuristically dramatic THE NEW YORK TIMES BOOK REVIEW In January 1969 before the world heard a note of their music the MC5 was on the cover of Rolling Stone Led by legendary guitarist Wayne Kramer the band was a reflection of the times exciting sexy violent chaotic and even out of control The missing link between free jazz and punk rock the MC5 toured the country played alongside music legends and had a rabid following their music acting as the soundtrack to the blossoming blue collar youth movement Kramer wanted to redefine what a rock n roll group was capable of and though there was power in reaching for that it was also a recipe for personal and professional disaster The band recorded three major label albums but by 1972 it was all over Kramer s story is literally a revolutionary one but it s also the deeply personal struggle of an addict and an artist a rebel with a great tale to tell From the glory days of Detroit to the junk sick streets of the East Village from Key West to Nashville and sunny L A in and out of prison and on and off of drugs Kramer s is the classic journeyman narrative but with a twist he s here to remind us that revolution is always an option
