The Devil Rides Out Dennis Wheatley,1977 The Devil Rides Out. The Haunting of Toby Jugg. Gateway to Hell. To the Devil - a Daughter Dennis Wheatley,1977 **A History of Horrors** Denis Meikle,2009 This revised and updated edition of A History of Horrors traces the life and spirit of Hammer from its fledgling days in the late 1940s through its successes of the 1950s and 60s to its decline and eventual liquidation in the late 1970s With the exclusive participation of all of the personnel who were key to Hammer s success Denis Meikle paints a vivid and fascinating picture of the rise and fall of a film empire offering new and revealing insights into the truth behind the legend Much has been written about Hammer s films but this is the only book to tell the story of the company itself from the perspective of those who ran it in its heyday and who helped to turn it into a universal byword for terror on the screen Historical Dictionary of Gothic Literature William Hughes,2012-12-19 Literary fashions come and go but some hang around longer than others like Gothic literature which has existed ever since The Castle of Otranto in 1764 During this long while it has spread from England to the rest of Great Britain and across to the continent and off to America and Australia filling in the gaps more recently Most of it is in English but hardly all and it has adopted all styles from romanticism to modernism to postmodernism and even adjusted to feminist and queer literature and science fiction We have all read some Gothic tales or if not read then seen them in the cinema since they adapt well to film treatment and it would be hard to find anyone who has not heard of ghosts and vampires let alone Count Dracula and Frankenstein On the other hand some of us are inveterate Gothic fans reading one book or story after the other The Historical Dictionary of Gothic Literature follows this long and winding path first in an extensive chronology and then a useful introduction which explains the nature of Gothic and shows how it has evolved Obviously the dictionary section has entries on major writers and some of the best known works but also on geographical variants like Irish Scottish or Russian Gothic and Female Gothic Queer Gothic and Science Fiction This is provided in over 200 often substantial and always intriguing entries More can be found in a detailed bibliography including general works but also more specialized ones on different styles and genres and also specific authors This book should certainly interest the fans but also more serious researchers **Three Inquisitive People** Dennis Wheatley,2013-10-10 Murder in the rich atmosphere of London s Clubland here is Dennis Wheatley at his thrilling best in this classic meticulous whodunnit The detective force always a step ahead of the police force brings together the connoisseur Duke de Richleau a husky American millionaire and a young man
