## **The Hines Lowder And Maddox Family Genealogies:**

The Hines, Lowder, and Maddox Family Genealogies William Neal Hurley, 1999-01-01 Presents three previously published texts on the Hines Lowder and Maddox families Contains photographs and illustrations interspersed throughout the text

**Trundle and Allied Families of Montgomery County, Md** William Neal Hurley, 2000 John Trundle of Herring Creek in Anne Arundel County Maryland was born ca 1624 at Suffolk near London England the son of David Trundle John emigrated to Maryland about 1640 and died 3 August 1699 in Anne Arundel County His wife s given name was Mary **Ricketts**

**Families** William Neal Hurley (Jr.), William N. Hurley, Jr., 2001 Most if not all of the individuals reported in this text are presumed to descend from one Thomas Ricketts Jr born about 1685 in Anne Arundel County The majority of the text is concerned with known descendants of this individual However chapters are included on the descendants of Jeremiah Ricketts died c 1818 and Verlinda Ricketts born c 1798 through whom the Ricketts are connected to the Trail families of Montgomery County Verso of back cover

**Holland Families of Maryland** William N. Hurley, Jr., 2001 The Holland families of Montgomery and Frederick counties are presumed to have first settled in Virginia either as indentured servants or freemen Religious persecution seems to have been a factor in their migration north into Maryland Although data on the early history of the family is scarce the most likely progenitor of the lines discussed in this volume is the immigrant Anthony Holland 1703 he was married to one Isabelle Parsons This work traces his line of descent through his son Capell and his daughter Elizabeth Verso of back cover

Jr., 2013-03 This work the ninth in a series of books about Maryland families focuses on the Purdum families primarily of Montgomery and Frederick Counties Having early origins in the area and being rather prolific the Purdum families intermarried with many of those families found in the first eight books of his series and some of the information presented there will be repeated here rather than requiring the reader to move back and forth between the various volumes in the series Following the custom of the earlier works in this series the book begins with a look at the early history of the Maryland Colony and the formation of the counties From there it moves into early Purdum family records including John Purdum born before 1700 who appears to be the progenitor of virtually all of the Purdums thus far identified in the study John had at least

four children one of whom was James Purdum born about 1720 James had at least one son and probably several other children but the one that the author has identified is yet another John Purdum born about 1739 Individual chapters focus on John Purdum and his family of at least eleven children Walter Purdum the descendants of Joshua Purdum and others Some family members not identified within the framework of the principal family study are also touched on A bibliography of over 100 titles testifies to the wide range of sources used in this compilation and a full name index supplies over 4 500 names This book is a must for anyone researching the Purdum surname in this area H0863HB 28 00     The Griffith Families of Maryland William Neal Hurley (Jr.), William N.
