Chronicles of the End Times Mark Davidson, 2018-10-05 Mark Davidson, author of *Daniel Revisited*, has created a unique interpretation of end-time Bible prophecy using the ancient concentric reading method known as chiastics. Lost centuries ago, it was rediscovered by seminary scholars in the eighteenth century. This reading method reveals the form of the scripture text via the flow of its words, giving us a heightened sensitivity to the words in the text. When combined with the words' meanings, we receive a greater understanding of prophetic scripture. In *Daniel Revisited*, Davidson showed us the four signposts (four events prophesied in Daniel 7 and 8 and Revelation 6) to occur in the Middle East prior to the Rapture and Tribulation. Now in *Chronicles of the End Times*, chiastic reading has been applied to all of Daniel, Revelation, and other books, pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth. A chiastic reading of Daniel, Zechariah 1:6, Matthew 23:25, and Revelation all shown in ninety illustrations yields many solid answers to the following questions, as well as to many others: How do Daniel 2 and 7 interact, and why are the kingdoms, metals, and beasts? What's the purpose of Daniel's Aramaic chapters, and how do they affect the end times? Which parts of Daniel 11 are to be fulfilled in ancient times versus end times? What is the real identity of Mystery Babylon, and how does this help us in the end times? How do the two scrolls of Revelation give greater understanding of the trumpets and bowls? What are the Seven Events of the end times, and which one is next? This all may seem incredible for one book, but is nevertheless true. The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end-time prophecy.

Two Beasts, Three Deadly Wounds, and Fourteen Popes Russell R. Standish, Colin D. Standish, 2001 *The Incredible Expanding Mountain of Hope* Joshua Herald, Even though this book is about Daniel 2, it's not really about Daniel 2. It's really about Jesus. Come tag along on this exciting journey of re-discovery. Even if you think you've long understood all details of the prophecy, you may just discover a most important new insight and find yourself dumbfounded by precise prophetic fulfillments in Christian history that once sent chills up the author's spine. You too may discover the fuller gospel meaning embedded within ancient cryptic symbols, almost like a hidden picture. Daniel 2 specifically unveils the very Foundation Stone of all later Bible prophecies and, correctly understood, it places the Lamb of God, His unfathomable love for sinners, and the heart conquest of His Kingdom of glory and of grace squarely back at the center of all Bible prophecy. That Christ-centering hidden picture is nothing short of a self-portrait of Jesus and the prophesied growth of his New Testament kingdom of God message into all the world, from its tiniest beginnings in Bethlehem to its

mountainous NO END in eternity This book is really about a too often hidden message that Herald believes God always intended to shout out to our anxiety ridden world today as we now teeter on the brink of eternity It is the timeless and yet so timely message of HOPE Real hope A long growing hope as you will discover embodied in a Person that reaches all the way down to even the most apparently hopeless if she or he will only recognize it and take hold of JESUS In this magnificent book which at times seems like a spy thriller Joshua Herald methodically details insights into Scripture He does so with such clarity and precision that you will wonder how you could have missed coming to the same conclusion he did Ron Price MA author of Play Nice in Your Sandbox at Church Play Nice in Your Sandbox at Work and Play Nice in Your Sandbox at Home Hang onto your seats for this rollercoaster Joshua Herald pens a twisting turning ride to a better understanding of Daniel s beastly prophecies and the mysterious stone that strikes the colossal metallic image Chris Conrad PG professional geologist If you have found the insights in this book to be spiritually uplifting and helpful please share this title with a friend

The Time Is Near Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts The Time Is Near presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events The Time Is Near invites readers reflection and testing In a time in which the worldwide church faces great challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next

The Continuum History of Apocalypticism Bernard McGinn, John J. Collins, Stephen Stein, 2003-10-01 Apocalypticism has been the source of hope and courage for the oppressed but has also given rise on many occasions to fanaticism and intolerance The essays in this volume seek neither to apologize for the extravagance of apocalyptic thinkers nor to excuse the perverse actions of some of their followers Rather they strive to understand a powerful perhaps even indispensable element in the history of Western religions that has been the source of both good and evil and still is yet today The Editors The Continuum History of Apocalypticism is a 1 volume select edition of the 3 vol Encyclopedia of Apocalypticism first published in 1998 The main historical surveys that provided the spine of the Encyclopedia have been retained while essays of a thematic nature and a few whose subject matter is not central to the historical development have been omitted The work begins with 8 articles on The Origins of Apocalypticism in the Ancient World extending from ancient Near Eastern myth through the Old Testament to the Dead Sea Scrolls Jesus Paul and the Book of Revelation Next are 7 articles on Apocalyptic Traditions from Late Antiquity to ca 1800 C E including early Christian theology radical movements in the Middle Ages and both Jewish and Islamic apocalypticism in the classic period The final section Apocalypticism in the Modern Age includes 10 articles on apocalypticism in the Americas in Western and Eastern Europe and finally in modern Judaism and modern Islam

Hawkins LLC, 2021-10-28 Although there is broad consensus among Bible prophecy scholars that the times of the gentiles will continue until the return of Jesus Christ the century-old traditional interpretation holds that Daniel's fourth gentile kingdom the Roman Empire ceased to exist in AD 476 in the West at Rome and therefore must be revived politically in the beginning of the seven-year tribulation period That prevailing viewpoint is obscuring a clear understanding of the continuing existence of the fourth kingdom as well as its fulfillment in history of important prophecies related to the end times Peters forewarned about this potential interpretation problem in *The Theocratic Kingdom* 1884 Daniel's Fourth Kingdom 1 establishes that the divided Roman Empire still exists today and explains why that fact matters regarding the season of Christ's return 2 respectfully questions the traditional interpretation 3 exhorts the church to love not the temporal kingdoms of this world but instead to embrace her gospel-inspired Holy Spirit-empowered love-driven apolitical evangelical mission to share the gospel with all nations while expecting the possibly imminent pretribulation rapture and 4 invites all readers believers and skeptics alike to consider the relevance of the Bible concerning world history current events and the future **A History of the Apocalypse** Catalin Negru, 2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and

intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history
