The Historical Nights' Entertainment First Series Rafael Sabatini, 2018-08-14 The Historical Nights Entertainment First Series by Rafael Sabatini In approaching The Historical Nights Entertainment I set myself the task of reconstructing in the fullest possible detail and with all the colour available from surviving records a group of more or less famous events I would select for my purpose those which were in themselves bizarre and resulting from the interplay of human passions and whilst relating each of these events in the form of a story I would compel that story scrupulously to follow the actual recorded facts without owing anything to fiction and I would draw upon my imagination if at all merely as one might employ colour to fill in the outlines which history leaves grey taking care that my colour should be as true to nature as possible For dialogue I would depend upon such scraps of actual speech as were chronicled in each case amplifying it by translating into terms of speech the paraphrases of contemporary chroniclers Such was the task I set myself I am aware that it has been attempted once or twice already beginning perhaps with the Crimes Celebres of Alexandre

Dumas I am not aware that the attempt has ever succeeded This is not to say that I claim success in the essays that follow How nearly I may have approached success judged by the standard I had set myself how far I may have fallen short my readers will discern I am conscious however of having in the main dutifully resisted the temptation to take the easier road to break away from restricting fact for the sake of achieving a more intriguing narrative In one instance however I have quite deliberately failed and in some others I have permitted myself certain speculations to resolve mysteries of which no explanation has been discovered Of these it is necessary that I should make a full confession My deliberate failure is The Night of Nuptials I discovered an allusion to the case of Charles the Bold and Sapphira Danvelt in Macaulay s History of England quoted from an old number of the Spectator whilst I was working upon the case of Lady Alice Lisle There a similar episode is mentioned as being related of Colonel Kirke but discredited because known for a story that has a trick of springing up to attach itself to unscrupulous captains I set out to track it to its source and having found its first appearance to be in connection with Charles the Bold s German captain Rhynsault I attempted to reconstruct the event as it might have happened setting it at least in surroundings of solid fact We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Historical Nights'*

Entertainment Volumes 1 And 2 Rafael Sabatini,2015-12-24 This volume contains two series of the Historical Nights Entertainment the historical series written as short stories but based on facts by Rafael Sabatini the prolific Italian English novelist who was in his lifetime a major and successful writer of over thirty novels of romance and adventure as well as non fiction books An avid researched his novels were based in accurate historic facts Some of his novels as Scaramouche The Captain Blood Saga Sea Hawk Columbus and many others achieved great critical and public success These books are Historical fiction that shines a light on so many intriguing leaders from throughout European history told in short stories in fullest realistic detail **The Historical Nights Entertainment Second** Rafael Sabatini,2016-08-04 Rafael Sabatini was born in Jesi Italy to an English mother and Italian father His parents were opera singers who became teachers At a young age Rafael was exposed to many languages living with his grandfather in England attending school in Portugal and as a teenager in Switzerland By the time he was seventeen when he returned to England to live permanently he was the master of five languages He quickly added a sixth language English to his linguistic collection He consciously chose to write in his adopted

language because he said all the best stories are written in English After a brief stint in the business world Sabatini went to work as a writer He wrote short stories in the 1890s and his first novel came out in 1902 It took Sabatini roughly a quarter of a century of hard work before he attained success with Scaramouche in 1921 This brilliant novel of the French Revolution became an international best seller It was followed by the equally successful Captain Blood in 1922 All of his earlier books were rushed into reprints the most popular of which was The Sea Hawk from 1915 Sabatini was a prolific writer he produced a new book approximately every year While he perhaps didn't achieve the mammoth success of Scaramouche and Captain Blood nonetheless Sabatini still maintained a great deal of popularity with the reading public through the decades that followed The public knew that in picking up a Sabatini book they could always count upon a good read and his following was loyal and extensive

The Historical Nights' Entertainment. 3rd Series Rafael Sabatini, 1917

The Historical Nights Entertainment (Classic Reprint) Rafael Sabatini, 2015-07-02 Excerpt from The Historical Nights Entertainment The kindly reception accorded to the first volume of The Historical Nights Entertainment issued in December of 1917 has encouraged me to prepare the second series here assembled As in the case of the narratives that made up the first volume I set out again with the same ambitious aim of adhering scrupulously in every instance to actual recorded facts and once again I find it desirable at the outset to reveal how far the achievement may have fallen short of the admitted aim On the whole I have to confess to having allowed myself perhaps a wider latitude and to having taken greater

liberties than was the case with the essays constituting the previous collection This however applies where applicable to the parts rather than to the whole The only entirely apocryphal narrative here included is the first The Absolution This is one of those stories which if resting upon no sufficient authority to compel its acceptance will nevertheless resist all attempts at final refutation having its roots at least in the soil of fact It is given in the rather discredited Portuguese chronicles of Acenheiro and finds place more or less as related here in Duarte Galvao s Chronicle of Affonso Henriques whence it was taken by the Portuguese historical writer Alexandre Herculano to be included in his Lendas e Narrativas About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Historical Nights Entertainment Introduction

In today's digital age, the availability of The Historical Nights Entertainment books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Historical Nights Entertainment books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Historical Nights Entertainment books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Historical Nights Entertainment versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Historical Nights Entertainment books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Historical Nights Entertainment books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Historical Nights Entertainment books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Historical Nights Entertainment books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Historical Nights Entertainment books and manuals for download and embark on your journey of knowledge?
