## **The Histories Of Tacitus:**

**The Histories** Tacitus, 2009-06-25 In AD68 Nero's suicide marked the end of the first dynasty of imperial Rome. The following year was one of drama and danger though not of chaos. In the surviving books of his *Histories*, the barrister-historian Tacitus, writing some thirty years after the events he describes, gives us a detailed account based on excellent authorities. In the long but single year of revolution, four emperors emerge in succession: Galba, Otho, Vitellius, and Vespasian, who established the Flavian dynasty. Rhiannon Ash stays true to the spirit of Wellesley's prose whilst making the translation more accessible to modern readers. *Tacitus: The Histories, Volumes I and II* Cornelius Tacitus, 2022-09-04 In *Tacitus The Histories Volumes I and II*, Cornelius Tacitus presents a meticulous and penetrating narrative of the Roman Empire's history, capturing the tumultuous period following Nero's death up to the Flavian dynasty. Tacitus's account is etched with a sophisticated prose style, embedding his work within the Silver Age of Latin literature. Through a critical historical lens, Tacitus meticulously juxtaposes episodes of bravery and corruption, providing insights into the characters and events that shaped the era. The work's literary context positions it amongst the most significant historical texts of antiquity, lauded for its complex structure, moral scrutiny, and the authenticity of its reflections on power and its abuses. Cornelius Tacitus, distinguished as one of the greatest Roman historians, crafted his *Histories* with an eye for detail and an unwavering commitment to truth, even when it exposed the ignominious facets of Roman society. His previous experiences, including a consulship under Nerva and a governorship in Asia, afforded him a unique perspective on governance and imperial administration. This, combined with his rigorous approach to source critique, allowed Tacitus to dissect the political and social dynamics of the empire, establishing his work as an indispensable resource for understanding the complexities of Roman political life. *Tacitus The Histories Volumes I and II* is recommended for both historians and students of classical literature. Its scholarly merit is evident, providing an illuminating glance into the integrity of historical reportage and political commentary during the Roman era. This republication by DigiCat Publishing allows modern readers transcultural access to one of the most intricate tapestries of antiquity's political narrative, encouraging a deepened appreciation for one of history's most pivotal civilizations. Entrusted with Tacitus's original eloquence, the volumes continue to resonate with contemporary audiences, reflecting the timeless nature of political truth-seeking. *The Histories of Tacitus* Cornelius Tacitus, 2003-10 In *The Histories*, Cornelius Tacitus, widely regarded as the greatest of all Roman historians, describes with cynical power the murderous year of the Four Emperors AD 69, when in just a few months the whole of the Roman Empire was torn apart by civil war. W. H. Fyfe's classic translation has been substantially revised and supplied with extensive historical and literary notes. The Introduction examines the subtleties of Tacitus's writing and gives the necessary political and social background. *The Histories of Tacitus* Cornelius Tacitus, 1997-01 In *The Histories*, Cornelius Tacitus, widely regarded as the greatest of all Roman historians, describes with cynical power the murderous year of the Four Emperors AD 69, when in just a few months

the whole of the Roman Empire was torn apart by civil war W H Fyfe s classic translation has been substantially revised and supplied with extensive historical and literary notes The Introduction examines the subtleties of Tacitus s writing and gives the necessary political and social background

**Tacitus** Cornelius Tacitus, 2018-05-12 We live today with the effects of the rise and fall of the Roman Empire so to understand where we are we must know where we were While Tacitus doesn t provide us all we need to know the story of us he does fill in important gaps which means that Tacitus and his Histories is essential reading
