Collins, Joan Thirsk, 2000 The unifying theme of this volume is the changing role of the countryside in national life and the impact upon it of the social and economic forces unleashed by industrialisation and the growth of towns Lace. Its Origin and History Samuel L. Goldenberg, 1904 The Grove Encyclopedia of Decorative Arts Gordon Campbell, 2006-11-09 The Grove Encyclopedia of Decorative Arts covers thousands of years of decorative arts production throughout western and non western culture With over 1 000 entries as well as hundreds drawn from the 34 volume Dictionary of Art this topical collection is a valuable resource for those interested in the history practice and mechanics of the decorative arts Accompanied by almost 100 color and more than 500 black and white illustrations the 1 290 pages of this title include hundreds of entries on artists and craftsmen the qualities and historic uses of materials as well as concise definitions on art forms and style Explore the works of Alvar Aalto Charles and Ray Eames and the Wiener Wekstatte or delve into the history of Navajo blankets and wing chairs in thousands of entries on artists craftsmen designers workshops and decorative art forms **The Technique of Honiton Lace** Elsie Luxton, 1979 The Victoria history of the county of Bedford William Material London, ca. 1600 Lena Cowen Orlin, 2012-10-19 Between 1500 and 1700 London grew from Page, 1904-01-01 a minor national capital to the largest city in Europe The defining period of growth was the period from 1550 to 1650 the midpoint of which coincided with the end of Elizabeth I s reign and the height of Shakespeare s theatrical career In Material London ca 1600 Lena Cowen Orlin and a distinguished group of social intellectual urban architectural and agrarian historians archaeologists cultural anthropologists and literary critics explore the ideas structures and practices that distinguished London before the Great Fire basing their investigations on the material traces in artifacts playtexts documents graphic arts and archaeological remains In order to evoke material London ca 1600 each scholar examines a different aspect

of one of the great world cities at a critical moment in Western history Several chapters give broad panoramic and authoritative views what architectural forms characterized the built city around 1600 how the public theatre established its claim on the city how London's citizens incorporated the new commercialism of their culture into their moral views Other essays offer sharply focused studies how Irish mantles were adopted as elite fashions in the hybrid culture of the court how the city authorities clashed with the church hierarchy over the building of a small bookshop how London figured in Ben Jonson's exploration of the role of the poet Although all the authors situate the material world of early modern London its objects products literatures built environment and economic practices in its broader political and cultural contexts provocative debates and exchanges remain both within and between the essays as to what constitutes material London ca The Dartington Bride Rosemary Griggs, 2024-03-28 The Dartington Bride tells the extraordinary story of Lady Gabrielle Roberda Montgomery a woman who after a childhood in war torn France came to England to marry into one of Devon's most prominent and well connected families Like most women of her time Roberda must be a good wife run a large household and produce a son and heir Lace: Its Origin and History Samuel L. Goldenberg, 2016-09-06 Lace Its Origin and History Originally published in 1904 Many of the earliest books on weaving textiles and needlework particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork The purpose of this book is to present to those whose relation to lace is primarily a commercial one a compendium that may perchance in times of doubt serve as a practical guide Most of these works necessarily voluminous and replete with detail are more for the connoisseur or dilettante than for the busy man of affairs upon whom the practical aspect of lace always forces itself **Tracing Your West Country Ancestors** Kirsty Gray, 2013-04-19 This book is an essential handbook for those researching their ancestry in the counties of Cornwall Devon and Somerset and the city of Bristol It begins with an introduction to the identity of The West Country its geography and history over the centuries It then guides family historians through the wealth of historical records available both online and in archives and libraries in order to add the flesh to the bones of the names of ancestors on their family trees West Country expert Kirsty Gray highlights fascinating details that can be uncovered about the places where our ancestors lived their occupations and the distinctive features identity and character of the West Country itself She provides case studies of some notable individuals from the counties as well as records of those individuals who never hit the headlines This practical and informative guide is a must have for readers wishing to find out more about all aspects of life in this area of England Luxury Trades and Consumerism in Ancien Régime Paris Robert Fox, Anthony Turner, 2016-12-05 Since the 16th century Paris has been a leading arbiter of taste and the ultimate source of luxury goods for Europe and the world However the origins of the luxury trades of Paris and their role in the wider economic development of France and Europe have been relatively little examined by historians This volume provides an entry into some of the many questions raised by the growth of

the luxury trades by bringing together eight detailed case studies of specific trades with five more wide ranging and theoretical contributions It therefore offers both the results of entirely new research and a range of new perspectives and methodological reflections on the subject as a whole Essential to economic and social historians of Early Modern France the book will also be of interest to all students of material culture History and Genealogy of the Pomeroy Family Albert Alonzo Pomeroy, 1912 Edwardian Devon 1900-1914 Dr David Parker, 2016-08-04 A century ago Britain was locked in a devastating worldwide conflict that would change every aspect of society This book explores life in Devon between 1900 and 1914 offering a revealing glimpse of a world now long vanished before war broke out Devon was no backwater its railways and shipping were busy bringing tourists in and sending vast quantities of produce out It was though a county of contrasts and change Farming had reinvented itself after the late Victorian depression but villages were in decline churches and chapels were full but religion bitterly divided communities the wealthy enjoyed extravagant lifestyles on great estates but their authority was under attack Devon's upper middle and lower class schools perfectly reflected the Edwardian social hierarchy but as the county's elections revealed society was being torn asunder by bitter controversies over exactly who should have the vote rule the country and control the Empire It was a worrying time overseas too Great Britain's supremacy was increasingly challenged and the warships in Devon's harbours and army manoeuvres on the moors drew many comments as the storm clouds began to gather over Europe Using mainly contemporary sources this engaging book examines the attitudes and experiences of people across all social classes in this tumultuous era A History of Women in 100 Objects Professor Maggie Andrews, Dr Janis Lomas, 2018-02-23 The history of the world has been told in objects But what about the objects that tell the history of women What are the items that symbolise the journey of women from second class citizens with no legal rights no vote and no official status to the powerful people they are today And what are the objects that still oppress women even now From the corset to the contraceptive pill the bones of the first woman to Rosa Parks s mugshot and the iconic Mary Quant cape A History of Women in 100 Objects documents the developing role of women in society through the lens of the inanimate objects that touched women s lives were created by women or that at some time perhaps even still oppressed them Woven by two leading historians this complex fascinating and vital tale of women and womanhood is told with a lightness of touch and depth of experience that will appeal to all those interested in women s history Your Textile Ancestors Vivien Teasdale, 2009-04-21 Vivien Teasdale's concise and informative guide to the textile industry will be absorbing reading for anyone who wants to learn about its history or to research the career of an ancestor who was a textile worker In a clear and accessible way she takes readers through the technical economic and social aspects of the story She gives a graphic account of the extraordinary growth of the industry in the eighteenth and nineteenth centuries and of its decline in the twentieth In the process she covers the themes and issues that family and local historians will need to understand in order to pursue their research She describes the inventions that transformed the manufacture of cloth the

flying shuttle the spinning jenny the power loom but she also gives a keen insight into working life in the factories and into the close knit communities that grew up around them And she introduces the reader to the variety of national and local records that are available for genealogical research from census returns websites and publications to company records and registers regional archives and museums and the many other resources that can yield fascinating information about the industry and those who worked in it
