The History Of Mr Polly:

The History of Mr. Polly H. G. Wells, 2018-04-29T22:16:43Z This work by H G Wells was first published in 1910 In contrast to Wells early speculative fiction works like *The Time Machine* this is a comic novel set in the everyday world of the late Victorian and early Edwardian era in England Despite the less than happy life story of Mr Polly it is an amusing book enlivened by Polly s inventive attitude towards the English language Alfred Polly s mother dies when he is only seven and he is brought up by his father and a stern aunt He is indifferently educated and leaves school in his early teens to be employed as a draper s assistant As the years pass he finds himself more and more disenchanted with his occupation but it is too late to change it Eventually his father dies and leaves him a legacy which may be enough to set up in business for himself He sets up his own shop in a small town and stumbles into an unhappy marriage The business is not profitable and in his middle age unhappy and dyspeptic Mr Polly comes up with an idea to bring an end to his troubles Things however do not go as he planned and lead to an unexpected result Wells later work often displays his passion for social reform Here that passion is less obvious but nevertheless he demonstrates his sympathy for middle class people raised like Mr Polly with but a poor education and trapped into either dead end jobs or in failing retail businesses *The History of Mr Polly* was well received by critics at the time of publication and was subsequently made into both a film and two different BBC television serials This book is part of the Standard Ebooks project which produces free public domain ebooks **The History of Mr Polly** Herbert G.
