France the US Iran and India The book analyses the works of some of the more celebrated but at times less than fully understood auteurs such as Kenji Mizoguchi from Japan Robert Bresson Jacques Rivette and ric Rohmer from France Abbas Kiarostami from Iran Martin Scorsese from the US Zhang Yimou from China and Aleksei German from Russia Further it examines how the conditions of exhibition for art house cinema has transformed into the global art film that attempts to bypass the local by addressing international audiences The book deals with complex ideas but is lucidly written making it accessible to film students and lay persons alike

**Hitchcock** Robert E. Kapsis, 2022-02-21 From the beginning of his career Alfred Hitchcock wanted to be considered an artist Although his thrillers were immensely popular and Hitchcock himself courted reviewers he was for many years regarded as no more than a master craftsman By the 1960s though critics began calling him an artist of unique vision and gifts What happened to make Hitchcock s reputation as a true innovator and singular talent Through a close examination of Hitchcock s personal papers scripts production notes publicity files correspondence and hundreds of British and American reviews Robert Kapsis here traces Hitchcock s changing critical fortunes Vertigo for instance was considered a flawed film when first released today it is viewed by many as the signal achievement of a great director According to Kapsis this dramatic change occurred because the making of the Hitchcock legend was not solely dependent on the quality of his films Rather his elevation to artist was caused by a successful blending of self promotion sponsorship by prominent members of the film community and most important changes in critical theory which for the first time allowed for the idea of director as auteur Kapsis also examines the careers of several other filmmakers who like Hitchcock have managed to cross the line that separates craftsman from artist and shows how Hitchcock s legacy and reputation shed light on the way contemporary reputations are made In a chapter about Brian De Palma the most reknowned thriller director since Hitchcock Kapsis explores how Hitchcock s legacy has affected contemporary work in and criticism of the thriller genre Filled with fascinating anecdotes and intriguing excerpts and augmented by interviews with Hitchcock s associates this thoroughly documented and engagingly written book will appeal to scholars and film enthusiasts alike Required reading for Hitchcock scholars scrupulously researched invaluable material for those who continue to ask what made the master tick Anthony Perkins

**Magic Realism, World Cinema, and the Avant-Garde** Felicity Gee, 2021-04-19 This book follows the hybrid and contradictory history of magic realism through the writings of three key figures art historian Franz Roh novelist Alejo Carpentier and cultural critic Fredric Jameson drawing links between their political aesthetic and philosophical ideas on art s relationship to reality Magic realism is vast in scope spanning almost a century and is often confused with neighbouring styles of literature or art most notably surrealism The fascinating conditions of modernist Europe are complex and contradictory a spirit that magic realism has taken on as it travels far and wide The filmmakers and writers in this book acknowledge the importance of feeling atmosphere and mood to subtly provoke and resist global capitalism Theirs is the history of magic realist cinema The book explores this history through the modernist

avant garde in search of a new theory of cinematic magic realism It uncovers a resistant geopolitical form of world cinema moving from Europe through Latin America and the former Soviet Union to Thailand that emerges from these ideas This book is invaluable to any reader interested in world modernism s in relation to contemporary cinema and geopolitics Its sustained analysis of film as a sensory intermedial medium is of interest to scholars working across the visual arts literature critical theory and film philosophy

**The Night of the Hunter** Jeffrey Couchman,2009-02-12 In the first major study of the long lost first draft screenplay by James Agee Jeffrey Couchman confronts a fifty year controversy about the authorship of the film He explores many levels of artistic convergence between novelist and director director and actor and cinematic form and audience expectations The talents that clashed or came together along the road from book to movie created a film of rich stylistic contradiction Combining biographical and historical analysis with a critical study of both the novel and the film Couchman makes the case that this initially overlooked cinematic gem is a prismatic work that continually reveals new aspects of itself

**BOOK JACKET** *The Sacred Foodways of Film* Antonio D. Sison,2016-02-18 The Sacred Foodways of Film explores the ways by which the portrayal of food in film offers creative spaces for theological insight From the Oprah Winfrey and Steven Spielberg produced title The Hundred Foot Journey 2014 to the Oscar Best Foreign Language Film winner from Japan Departures 2008 eleven diverse films invite us to taste and see the mutually enriching blend of food and faith depicted onscreen Smithsonian magazine describes the last two decades as The Era of Crazy Oral Gratification The explosion of interest in food culture what is touted as the foodie revolution is evident across media platforms in the United States as well as in many other parts of the world Curiously there has not been a book specifically dedicated to the confluence of theology religion and food films The Sacred Foodways of Film is a timely contribution to this fascinating area of interest that has long been simmering on the stovetop of scholarship
