Malaparte reported from the Eastern Front joined forces with the occupying Allies after Mussolini's fall and secretly wrote the first of his two masterpieces *Kaputt* a record of wartime enormities and atrocities that is as stylish as it is hellish With *The Skin* a black comedy about the American Army in Naples Malaparte cemented a reputation for daring and disturbing originality A polymath and shapeshifter fascist communist a converted Catholic on his deathbed a self-mythologizer on the move between society salons the corridors of power and the frontlines Malaparte is a complex and fascinating subject
