## **The Hollywood Hallucination:**

**The Hollywood Hallucination** Parker Tyler, 1944      **Film Study** Frank Manchel, 1990-10 The four volumes of Film Study include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors sources and historical information as well as an index of authors titles and film personalities

**The Rhapsodes** David Bordwell, 2016-04-04 An engaging look at four pioneering film critics besides being a pleasure to read it makes a sophisticated contribution to the study of film criticism Cineaste In the 1960s Pauline Kael Andrew Sarris and Roger Ebert were three of America's most popular and influential film critics But their remarkable contributions to the cinema landscape were deeply influenced by the work of four earlier critics who are too often overlooked Otis Ferguson James Agee Manny Farber and Parker Tyler Throughout the 30s and 40s these pioneering critics scrutinized movies with an intensity not previously seen in popular reviewing With *The Rhapsodes* renowned film scholar and critic David Bordwell restores their work to a wider audience Bordwell calls these four critics the Rhapsodes in honor of their passionate and deliberately offbeat prose Each broke with prevailing currents in criticism finding new ways to discuss popular films that their contemporaries regarded as trivial With his customary clarity and brio Bordwell considers each critics writing style their conceptions of films and their many quarrels He then concludes by examining their profound impact on later generations of film writers

*Guilty Pleasures* Pamela Robertson, 1996 Using detailed studies of stars such as Mae West Joan Crawford and Madonna *Guilty Pleasures* examines the tradition of feminist camp a female form of aestheticism related to masquerade and rooted in burlesque parallel but different to gay male camp

**Garbo** Robert Gottlieb, 2021-12-07 A New York Times Book Review Editors Choice One of Esquire's 125 best books about Hollywood Award winning master critic Robert Gottlieb takes a singular and multifaceted look at the life of silver screen legend Greta Garbo and the culture that worshiped her Wherever you look in the period between 1925 and 1941 Robert Gottlieb writes in *Garbo* Greta Garbo is in people's minds hearts and dreams Strikingly glamorous and famously inscrutable she managed in sixteen short years to infiltrate the world's subconscious the end of her film career when she was thirty six only made her more irresistible Garbo appeared in just twenty four Hollywood movies yet her impact on the world and that indescribable transcendent presence she possessed was rivaled only by Marilyn Monroe's She was looked on as a unique phenomenon a sphinx a myth the most beautiful woman in the world but in reality she was a Swedish peasant girl uneducated naïve and always on her guard When she arrived in Hollywood aged nineteen she spoke barely a word of English and was completely unprepared for the ferocious publicity that quickly adhered to her as almost overnight she became the world's most famous actress In *Garbo* the acclaimed critic and editor Robert Gottlieb offers a vivid and thorough retelling of her life beginning in the slums of Stockholm and proceeding through her years of struggling to elude the attention of the world her desperate futile striving to

be left alone He takes us through the films themselves from M G M s early presentation of her as a vamp her overwhelming beauty drawing men to their doom a formula she loathed to the artistic heights of Camille and Ninotchka Garbo Laughs by way of Anna Christie Garbo Talks Mata Hari and Grand Hotel He examines her passive withdrawal from the movies and the endless attempts to draw her back And he sketches the life she led as a very wealthy woman in New York a hermit about town and the life she led in Europe among the Rothschilds and men like Onassis and Churchill Her relationships with her famous co star John Gilbert with Cecil Beaton with Leopold Stokowski with Erich Maria Remarque with George Schlee were they consummated Was she bisexual Was she sexual at all The whole world wanted to know and still wants to know In addition to offering his rich account of her life Gottlieb in what he calls A Garbo Reader brings together a remarkable assembly of glimpses of Garbo from other people s memoirs and interviews ranging from Ingmar Bergman and Tallulah Bankhead to Roland Barthes from literature she turns up everywhere in Hemingway s For Whom the Bell Tolls in Evelyn Waugh Graham Greene and the letters of Marianne Moore and Alice B Toklas from countless songs and cartoons and articles of merchandise Most extraordinary of all are the pictures 250 or so ravishing movie stills formal portraits and revealing snapshots all reproduced here in superb duotone She had no personal vanity no interest in clothes and make up yet the story of Garbo is essentially the story of a face and the camera Forty years after her career ended she was still being tormented by unrelenting paparazzi wherever she went Includes Black and White Photographs

Pells, 1973 The Great Depression of the 1930s was more than an economic catastrophe to many American writers and artists Attracted to Marxist ideals they interpreted the crisis as a symptom of a deeper spiritual malaise that reflected the dehumanizing effects of capitalism and they advocated more sweeping social changes than those enacted under the New Deal In *Radical Visions and American Dreams* Richard Pells discusses the work of Lewis Mumford John Dewey Reinhold Niebuhr Edmund Wilson and Orson Welles among others He analyzes developments in liberal reform radical social criticism literature the theater and mass culture and especially the impact of Hollywood on depression era America By placing cultural developments against the background of the New Deal the influence of the American Communist Party and the coming of World War II Pells explains how these artists and intellectuals wanted to transform American society yet why they wound up defending the American Dream A new preface enhances this classic work of American cultural history

The Most Typical Avant-Garde David James, 2005-05-30 Los Angeles has nourished a dazzling array of independent cinemas avant garde and art cinema ethnic and industrial films pornography documentaries and many other far flung corners of film culture This glorious panoramic history of film production outside the commercial studio system reconfigures Los Angeles rather than New York as the true center of avant garde cinema in the United States As he brilliantly delineates the cultural perimeter of the film business from the earliest days of cinema to the contemporary scene David James argues that avant garde and minority filmmaking in Los Angeles has in fact been the prototypical attempt to create emancipatory and progressive culture Drawing from urban history and geography local news reporting and a wide range of film criticism James gives astute analyzes of scores of films many of which are to found only in archives He also looks at some of the most innovative moments in Hollywood revealing the full extent of the cross fertilization the occurred between the studio system and films created outside it Throughout he demonstrates that Los Angeles has been in the aesthetic and social vanguard in all cinematic periods from the Socialist cinemas of the early teens and 1930s to the personal cinemas of psychic self investigation in the 1940s to attempts in the 1960s to revitalize the industry with the counterculture s utopian visions and to the 1970s when African Americans Asian Americans Latinos women gays and lesbians worked to create cinemas of their own James takes us up to the 1990s and beyond to explore new forms of art cinema that are now transforming the representation of Southern California s geography      *Dreams in Myth, Medicine, and Movies* Sharon Packer MD, 2002-08-30 Cinema invented just before psychoanalysis formally developed primed the public and scholars to rethink ideas about dreams The author describes how surrealist artists purposely applied Freudian dream theories to their art to make the public aware of modern ideas about dreams Most of our current cultural consciousness about the psychological value of dreams is traced to classical and contemporary cinema This work examines how residuals of past approaches to dreams make conceptions of dreams in psychoanalysis and science more complex than ever today Scholars and students in the fields of psychology

psychiatry cinema medicine and religion may find this volume useful The book also examines academic psychiatry's increased emphasis in dream study on neuropsychiatry and psychopharmacology as well as managed care's decreased compensation for dream therapy

**Film Music: A History** James Wierzbicki, 2009-01-21 Film Music A History explains the development of film music by considering large scale aesthetic trends and structural developments alongside socioeconomic technological cultural and philosophical circumstances The book's four large parts are given over to Music and the Silent Film 1894 1927 Music and the Early Sound Film 1895 1933 Music in the Classical Style Hollywood Film 1933 1960 and Film Music in the Post Classic Period 1958 2008 Whereas most treatments of the subject are simply chronicles of great film scores and their composers this book offers a genuine history of film music in terms of societal changes and technological and economic developments within the film industry Instead of celebrating film music masterpieces it deals logically and thoroughly with the complex machine whose smooth running allowed those occasional masterpieces to happen and whose periodic adjustments prompted the large scale twists and turns in film music's path

**Spectacle in Classical Cinemas** Tom Brown, 2015-08-11 Spectacle is not often considered to be a significant part of the style of classical cinema Indeed some of the most influential accounts of cinematic classicism define it virtually by the supposed absence of spectacle Spectacle in Classical Cinemas Musicality and Historicity in the 1930s brings a fresh perspective on the role of the spectacular in classical sound cinema by focusing on one decade of cinema the 1930s in two modes of filmmaking musical and historical films and in two national cinemas the US and France This not only brings to light the special rhetorical and affective possibilities offered by spectacular images but refines our understanding of what classical cinema is and was

**Fast-Talking Dames** Maria DiBattista, 2008-10-01 There is nothing like a dame proclaims the song from South Pacific Certainly there is nothing like the fast talking dame of screen comedies in the 1930s and 40s In this engaging book film scholar and movie buff Maria DiBattista celebrates the fast talking dame as an American original Coming of age

during the Depression the dame a woman of lively wit and brash speech epitomized a new style of self reliant articulate womanhood Dames were quick on the uptake and hardly ever downbeat They seemed to know what to say and when to say it In their fast and breezy talk seemed to lie the secret of happiness but also the key to reality DiBattista offers vivid portraits of the grandest dames of the era including Katharine Hepburn Irene Dunne Rosalind Russell Barbara Stanwyck and others and discusses the great films that showcased their compelling way with words and with men With their snappy repartee and vivid colloquialisms these fast talkers were verbal muses at a time when Americans were reinventing both language and the political institutions of democratic culture As they taught their laconic male counterparts most notably those appealing but tongue tied American icons Gary Cooper Henry Fonda and James Stewart the power and pleasures of speech they also reimagined the relationship between the sexes In such films as Bringing Up Baby The Awful Truth and The Lady Eve the fast talking dame captivated moviegoers of her time For audiences today DiBattista observes the sassy heroine still has much to say

**The Male Gazed** Manuel Betancourt, 2024-05-21 Featuring deep dives into thirst traps drag queens Antonio Banderas and telenovelas all in the service of helping us reframe how we talk about desiring men this insightful memoir in essays is as much a coming of age as a coming out book Manuel Betancourt has long lustfully coveted masculinity in part because he so lacked it As a child in Bogot Colombia he grew up with the social pressure to appear strong manly and ultimately straight And yet in the films and television he avidly watched Betancourt saw glimmers of different possibilities From the stars of telenovelas and the princes of Disney films to pop sensation Ricky Martin and teen heartthrobs in shows like Saved By the Bell he continually found himself asking Do I want him or do I want to be him The Male Gazed grapples with the thrall of masculinity examining its frailty and its attendant anxieties even as it focuses on its erotic potential Masculinity Betancourt suggests isn't suddenly ripe for deconstruction or even outright destruction amid so much talk about its inherent toxicity Looking back over decades worth of pop culture's attempts to codify and reframe what men can be wear do and desire this book establishes that to gaze at men is still a subversive act Written in the spirit of Hanif Abdurraqib and Olivia Laing The Male Gazed mingles personal anecdotes with cultural criticism to offer an exploration of intimacy homoeroticism and the danger of internalizing too many toxic ideas about masculinity as a gay man
