Köstenberger,2020-06-01 This book studies the Holy Spirit through the lens of both biblical and systematic theology **The Holy Spirit as Person and Power** Rob Yule,2020-01-10 In just over one hundred years the Pentecostal charismatic movement has transformed world Christianity Noted for their rediscovery of spiritual gifts and commitment to world evangelization 700 million Pentecostals

and charismatics now account for more than 27 percent of the global Christian movement The Pentecostal charismatic movement has been more noted for its activism than for theological reflection But this may be changing The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience The author is a theologically trained practitioner impacted in midlife by a transforming experience of the Holy Spirit He has been a hands on leader in the renewal movement Now in his later years he reflects on the meaning of the grace imparted to the church by the renewing activity of God s Spirit This is not the work of an enthusiast claiming a new revelation Rather the author draws attention to many nuances in the Bible s description of the Spirit that have been overlooked in traditional pneumatology By relating these insights to Orthodox Catholic Protestant and evangelical theology he has produced a book with ecumenical implications for all branches of world Christianity **Spirit Filled: How the Holy Spirit Wants to Use You** Timothy Kong,2014-03-06 Can God really use me The Bible speaks to how we can be used by God but for a lot of us we do not know what that looks like God has uniquely given each one of us gifts talents passions and abilities to serve the church To be a good steward of what God has given us we must understand our role for ministry in the Kingdom of God What many of us are missing is the understanding and application of the Holy Spirit s power indwelling in us This course will help you unleash the person God has designed you to be **Understanding the Holy Spirit** Brenda Rambo,2010 In Understanding the Holy Spirit author and psychologist Dr Brenda Rambo presents a comprehensive description of the function and purpose of the Holy Spirit and the role He has played in biblical and modern history This book supplies readers who are hungry for a greater understanding of the Holy Spirit and His gifts with a clear and Scripture based explanation of how the most overlooked person of the Trinity can be a valuable source of power for the believer and a gateway to experiencing an enhanced relationship with God the Father and Jesus His Son Essential Christianity Keith Sherlin,2006-06 What are the essentials to the Christian faith How can you know and find God s will What doctrines comprise the foundation to a Christian life What should church leadership look like What experiences mark a healthy Christian These questions and more are answered in this book If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily *The Spirit Within* Rob King,Eric Ferris,2019-09-17 Sometimes Christians even those of us who have been following Jesus for a long time have a sense of something missing We feel that we should be more comfortable and confident in our relationship with God We wonder Shouldn t I be more capable peaceful joyful and spiritual We are hungry for more Pastors Rob King and Eric Ferris explore this longing of something missing in their effective and inspirational new release by explaining how you can experience an ongoing renewable increasing awareness of the Holy Spirit within *Seasons: Beautiful in Its Own Time* Dr. J Gayle Gaymon,2023-03-23 This book is a look at the Book of Ecclesiastes chapter 3 1 12 and how it applies to my life and the lives of Christian believer s today It answers how we should respond to the seasons in life **Together in One**

Mission Arto Hamalainen, Grant McClung, 2012-09-27 *Who Is the Holy Spirit* Dr. Rayshell D. Robinson, 2015-09-04 Six years ago I wrote my dissertation on who the Holy Spirit is in order to obtain my doctorate degree I chose a topic that not one faculty member at Bethel Christian College had written on The reason why I chose this topic is that one day one of my children asked me a question about who the Holy Spirit is and that is how this came to birth I wondered since my children asked me so many questions about the Holy Spirit how many other Christians had the same questions but were afraid to ask What I learned from researching on this topic was that very little was written on this subject So after completing my dissertation I wanted to share what I learned and discovered with others The more I put it off the more restless I became It has taken me nine years to complete this task There are four questions I will be addressing in the book 1 Who the Holy Spirit is 2 The Holy Spirit and spiritual growth 3 The Holy Spirit and the nine fruit of the Spirit 4 The silent active roles the Holy Spirit had in the Old Testament *Who's Using You?* Daniel Nehrbass, 2015-08-25 *Who's Using You* helps readers identify how we are used by whom and God's use of us for His greater purpose While many equate being used with a negative act in forty short chapters Nehrbass reminds us that to be used by God should be our deepest desire *Engaging the Spirit* William Shea, 2018-02-21 Have you ever wondered why some people seem so confident in their spiritual lives Do you wonder why some people can express joy and understanding amid trials and tribulations For many the reason is the power of the Holy Spirit in their lives God has provided his Spirit to comfort you in times of sorrow guide you in times of confusion of questioning and strengthen you against adversaries you might encounter When you accepted Jesus Christ as your Lord and Savior you received the Holy Spirit as well So just as you put your trust and faith in God know what it means to also put your trust and faith in the Holy Spirit **POWERFUL CHRISTIAN LIVING** WILLIAM T. NOLAND, 2025-10-01 Due to political correctness today a significant portion of society is immune from derision jokes and persecution Not so for the Christian The church today is more likely to succumb to the culture instead of being a change agent to the culture So why is this and what can be done about it Do you care The why Is it because the church and Christians don't exhibit the power that Jesus said that He would provide What can be done about it is for the Christian to learn about that power and how to overcome sin and be a witness to the world using that power effectively for God's kingdom by overcoming sin and living a powerful holy life If you feel you have something missing in your Christian faith and have a desire to be more powerful in word and understanding then you need to learn what Jesus meant when He said You must be born again Only you can answer if you care or not

Religious Melancholy and Protestant Experience in America Julius H. Rubin, 1994 This thought provoking study examines an apparent paradox in the history of American Protestant evangelical religion Fervent believers who devoted themselves completely to the challenges of making a Christian life who longed to know God's rapturous love all too often languished in despair feeling forsaken by God Indeed some individuals became obsessed by guilt terror of damnation and the idea that they had committed an unpardonable sin Ironically those most devoted to fostering the soul's maturation seemingly

neglected the well being of the psyche Drawing upon many sources including unpublished diaries spiritual narratives and case studies of patients treated in nineteenth century asylums Julius Rubin thoroughly explores religious melancholy as a distinctive stance toward life a grieving over the loss of God's love and an obsession and psycho pathology associated with the spiritual itinerary of conversion The varieties of this spiritual sickness include sinners who would fast unto death evangelical anorexia nervosa religious suicides and those obsessed with unpardonable sin From colonial Puritans like Michael Wigglesworth to contemporary evangelicals like Billy Graham Rubin shows that religious melancholy has shaped the experience of self and identity for those who sought rebirth as children of God Religious Melancholy and Protestant Experience in America offers a fresh and revealing look at a widely recognized phenomenon It will be of interest to scholars and students of religious studies American history psychology and sociology of religion America's Preacher and His Message Timo Pokki,1999 Although the popular literature concerned with Billy Graham as an evangelical icon is vast there have been few serious academic considerations of his religious views In America's Preacher and His Message Timo Pokki provides the most extensive systematic analysis to date on Graham's theology paying particular attention to views surrounding conversion and sanctification The study not only provides a detailed analysis of Graham's thoughts on these topics but also investigates the impact of Calvinism and Arminianism on revivalism and evangelicalism in general **The Deep Things of God (Second Edition)** Fred Sanders,2017-04-13 The doctrine of the Trinity is taught and believed by all evangelicals but rarely is it fully understood or celebrated In The Deep Things of God systematic theologian Fred Sanders shows why we ought to embrace the doctrine of the Trinity wholeheartedly as a central concern of evangelical theology Sanders demonstrates engagingly and accessibly that the doctrine of the Trinity is grounded in the gospel itself In this book readers will understand that a robust doctrine of the Trinity has massive implications for their lives restoring depth to prayer worship Bible study missions tradition and understanding of Christianity's fundamental doctrines This new edition includes a study guide with discussion questions action points recommended reading and more
