The Hot Jazz Trio Stories:

Hot-Jazz-Trio William Kotzwinkle, 1992 **The Hot Jazz Trio** William Kotzwinkle, 1991 *The A to Z of Fantasy Literature* Brian Stableford, 2009-08-13

Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Bloody Martini William Kotzwinkle, 2023-02-14 Award winning and bestselling author William Kotzwinkle is back with the second in the darkly comedic Felonious Monk series featuring Tommy Martini a Benedictine monk with an anger management problem Felonious Monk was praised as amiably satirical Washington Post and a whiplash adventure Wall Street Journal Coalville is on fire from below The old mines are burning and everyone has poison gas in their brain Maybe that's why the town is so corrupt Now that he's a Benedictine monk Tommy Martini never wants to see the place again hell raisers there hold a grudge till they die and he's on their wish list But a girl he once loved has gone missing and his best friend from childhood has been murdered Among the living is a shy girl from Tommy's past who wants to help Together they learn the secret of the elephant's graveyard and it's not in Africa At the heart of Coalville is Parade

Square with plenty of pigeons drugs and child prostitution It s the new small town America where Dionysus is dancing once again William Kotzwinkle s insight into this paradigm shift is shot through with the humor he is famous for and the result is a spicy brew a bloody martini just one sip may keep you up all night Historical Dictionary of Fantasy Literature Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature **Jazz Fiction** David Rife,2008 Broad in scope meticulously researched and including titles that have long been inaccessible this resource is an overview of the history of the genre from its beginning to the present **BOOK JACKET The publishers weekly** ,1989
