protagonists political and military who determined their conclusions and their consequences **In the House of War** Sam Cherribi, 2010-07-09 Sam Cherribi is a Moroccan Muslim who became a naturalized Dutch citizen and member of the Dutch Parliament In this book he draws on his personal experiences with European politics and media extensive fieldwork in Dutch mosques and interviews with imams In recent years the Netherlands has been swept by the same forces of change that have swept the rest of Europe the consolidation of the European Union a massive influx of Muslim immigrants and the rising voice of Islamic fundamentalism Cherribi argues that this small country has amplified these forces providing a useful lens through

which to examine trends in all of Europe The portents are troubling he notes as evidenced by the murders of journalist Pim Fortuyn and filmmaker Theo Van Gogh after which riots broke out mosques were burned and Muslims were openly reviled by the public and the media Cherribi himself was voted out of Parliament in the anti migrant fervor that engulfed the Netherlands after these murders and like many other Dutch Muslims he emigrated to the United States Looking back on these events and bringing to bear his skills and training as a sociologist Cherribi provides an invaluable account of one country s encounter with some of the most troubling trends of our times *The House of War and Witness* Mike Carey,Linda Carey,Louise Carey,2021-03-02 A fantastical ghost story and a suspenseful military mystery A daringly original fantasy novel from the acclaimed authors of The Steel Seraglio Publishers Weekly starred review In 1740 an Austrian infantry company more than two hundred strong arrives at the Prussian border Their orders to defend the town of Narutsin when war inevitably breaks out But they don t get the warm welcome they re expecting If anything the locals seem strangely secretive and the soldiers who previously garrisoned in the village have disappeared Fearing the villagers may be consorting with the enemy the commander orders his prim young lieutenant Klaes to investigate On the outskirts of town in a dilapidated manor known as Pokoj the road weary soldiers make their home for the winter Accompanying them is Drozde a camp follower and entertainer who possesses a very special talent she can see and communicate with the dead She s the only one who knows that the crumbling mansion is far from empty It s teeming with ghosts and they know her Each spirit tells Drozde how they became a part of Pokoj s sprawling history hinting at its future as well as its past As she listens to their tales it becomes apparent that the story of the manor hasn t yet ended and that she and Klaes have their own parts to play in the horror that is to come All of the characters come alive on the pages even the ghosts A compelling accomplished novel Strange Horizons Delightfully odd Subtle horror and extra special creepiness A fine example of what the Careys are capable of Starburst
