Dear Jo wrote an old protege of Mr and Mrs Bhaer s here is a case after your own heart This poor lad is an orphan sick and friendless He has been a street musician I think there is something in him Give him a trial Readers of Little Women will remember Jo and his model school at Plumfield where poor children are taught not only how to read and to write but how to amuse and humanize themselves In this establishment where each boy has a little garden of his own a share in a menagerie of small pets and various privileges not to be found in ordinary schools poor Nat Wake soon makes himself quite at home and in the course of time becomes a great favorite with Aunt Jo and her family of odd boys Very delightful and very natural is the way in which the social characteristics of these boys is described We see them at school at church in the garden in the fields learning praying working playing but always improving from rude uncared for waifs into useful and respectable members of society The object of the book is evidently not so much to show what is but what might be done in school reformatories orphan asylums and though written especially for American readers all the suggestions are applicable to parents guardians and teachers on every side of the Atlantic and if they would just try the experiment supposed to be carried out successfully at Plumfield they might after a while exclaim with motherly Mrs Jo Dear me If men and women would only trust help and understand one another as my children do what a capital place the world would be Little Men is one of the very few stories about children that children can really understand and admire and thar adults can read with both pleasure and profit
