Hummingbird Memories Margie House Neal,2012-05-10 Book Summary The story begins with the main character attending a 50 Year Class Reunion and then flashes back to her four years in high school At that time she lived in a small southern California town where everyone knew everyone else and there wasn't much for teenagers to do and yet they manage to keep busy somehow Life at that time before the electronic age went at a much slower pace and people who grew up in the 50's and 60's were part of the last innocent generation The book describes Elaine's relationship with her family her life on a poultry ranch and the closeness of a small community It also describes many high school activities classes boy girl relationships and problems and heartaches the euphoria and the sadness that are a part of life at that age The story is based on an actual town and high school and many incidents in the book actually happened the way that I described them I did change the names of the town and the high school however Back in those days it was much easier to work on your own car the old hot rods and jalopies Gas was thirty one cents a gallon and one could buy a hamburger and Coke for less than fifty cents But the monthly income for the average working family was only about 300 so the budget had to be stretched to make ends meet A few women worked outside the home but most did not Many of the television sets were black and white but color TV was on its way in There was no reality TV at that time but there were plenty of Westerns and family programming Of course music played a huge part in the lives of young people and it was the era of Rock and Roll Elvis Buddy Holly and the Everly Brothers were household names Dick Clark's American Bandstand was on TV in the afternoons and everyone rushed home from school to watch the latest dances There were only records at the time 45's and 78's which were played on phonographs It would be years before cassettes CD's and iPods were invented The music was portable though because everyone was getting transistor radios If a group of kids got together at a lake or somewhere out in the middle of nowhere they would just tune their car radios to the same station and turn up the volume I have tried throughout the book to portray life back in those days with many details depicting the culture and fads of that time I am hoping that this book will give today's teenagers a different perspective on life at that time while giving my own generation a chance to walk down Memory Lane

Martha Jefferson Randolph, Daughter of Monticello Cynthia A. Kierner,2012-05-14 As the oldest and favorite daughter of Thomas Jefferson Martha Patsy Jefferson Randolph 1772-1836 was extremely well educated traveled in the circles of presidents and aristocrats and was known on two continents for her particular grace and sincerity Yet as mistress of a large household she was not spared the tedium frustration and great sorrow that most women of her time faced Though Patsy's name is familiar because of her famous father Cynthia Kierner is the first historian to place Patsy at the center of her own story taking readers into the largely ignored private spaces of the founding era Randolph's life story reveals the privileges

and limits of celebrity and shows that women were able to venture beyond their domestic roles in surprising ways Following her mother's death Patsy lived in Paris with her father and later served as hostess at the President's House and at Monticello Her marriage to Thomas Mann Randolph a member of Congress and governor of Virginia was often troubled She and her eleven children lived mostly at Monticello greeting famous guests and debating issues ranging from a woman's place to slavery religion and democracy And later after her family's financial ruin Patsy became a fixture in Washington society during Andrew Jackson's presidency In this extraordinary biography Kierner offers a unique look at American history from the perspective of this intelligent tactfully assertive woman Mediating Indianness Cathy Covell Waegner, 2015-02-01

Mediating Indianness investigates a wide range of media including print film theater ritual dance music recorded interviews photography and treaty rhetoric that have been used in exploitative informative educative sustaining protesting or entertaining ways to negotiate Native American identities and images The contributors to this collection are Native American and European scholars whose initial findings were presented or performed in a four panel format at the 2012 MESEA Society for Multi Ethnic Studies Europe and the Americas conference in Barcelona The selection of the term Indianness is deliberate It points to the intricate construction of ethnicity as filtered through media despite frequent assertions of authenticity From William Buffalo Bill Cody's claim extravagantly advertised on both sides of the Atlantic that he was staging true to life scenes from Indian life in his Wild West shows to contemporary Native hip hop artist Quetzal's announcement that his songs tell his people's own history and draw on their true culture media of all types has served to promote disparate agendas claiming legitimacy This volume does not shy away from the issue of evaluation and how it is only tangential to medial artificiality As evidenced in this collection the vibrant ever transforming future of Native peoples is located within a complex intersection of cultural influences said Susan Power author of *Sacred Wilderness* *The Kennedy Women* Laurence Leamer, 1996-09-29

A FRESH AND UNVARNISHED PORTRAIT OF A FASCINATING TALENTED AND DEEPLY FLAWED FAMILY Boston Herald

Laurence Leamer was granted unheralded access to private Kennedy papers and he interviewed family and old friends many of whom had never been interviewed before for this incredible portrait of the women in America's royal family From Bridget Murphy the foremother who touched shore at East Boston in 1849 to the intelligent independent Kennedy women of today Laurence Leamer tells their unforgettable stories Here are the private thoughts of Kathleen the flirtatious debutante in prewar England the truth behind Joe Kennedy's insistence that his mildly retarded daughter Rosemary be lobotomized the real story behind Joan and Ted's whirlwind romance Jackie's desire for a divorce from JFK in the 1950s Pat Lawford's disastrous Hollywood marriage how Caroline discovered her cousin David's death by overdose and more Tough enough to withstand the unimaginable these Kennedy women soldier on in the name of their extraordinary family and what they believe is right MASTERFUL AN ENDLESSLY FASCINATING READ A wealth of beautifully rendered social detail at times reading like a realist novel by Edith Wharton A page turner from start to finish The Dallas Morning News *One Summer in Monte*

Carlo Jennifer Bohnet, 2021-01-12 You can run to the sun but can you ever hide From the bestselling author of *Villa of Sun and Secrets* Monte Carlo means different things to different people for some it s a billionaires playground overflowing with glitz and glamour but for others it s where dangerous secrets lay hidden For Nanette Weston and her then fianc F1 racing driver Zac Ewart their dream life came to an abrupt halt 3 years ago following a car accident which Zac walked away from but left Nanette being airlifted back to the UK never to return and never to see her fianc again Monte Carlo was a place she wanted to forget not revisit But when her friend and employer Vanessa asks Nanette to look after her children in the Principality for a few months Nanette knew she had no choice but to return As the F1 circus once again comes to town with Zac in pole position mistakes of the past leave legacies for the future This book was previously published as *Follow Your Star* by Jennifer Bohnet What readers are saying about *One Summer in Monte Carlo* As always with Jennifers books I was able to escape into a completely different world one we can only dream about I could imagine myself as the main female character and could hardly put down the book A superb fast paced read with a real surprise and absolutely loved the F1 glamour of Monaco I really felt I was there Such a roller coaster ride of people s lives Tragic sad happy tumultuous feelings of life in the fast lane
