Sisyphus Reilly:

A Very Private Celebrity Hugh Purcell, 2015-07-07 John Freeman was one of Britain's most extraordinary public figures for over half a century a renaissance man who constantly reinvented himself a household name who sought complete anonymity From advertising executive to war hero to MP tipped to be Prime Minister Freeman then changed direction to become a seminal television interviewer and editor of the *New Statesman* He subsequently remodelled himself yet again to become in turn an ambassador a TV mogul a university professor and finally in retirement a well known bowls player in south London Freeman packed nine lives into his ninety nine years but all he really wanted was to be forgotten The paradox of this private celebrity was captured by the very series that made him famous *Face to Face* While Freeman remorselessly interrogated the stars of his age he himself sat in the shadows his back to the camera He was the grand inquisitor exposing the personalities behind the public figures but never his own For ten years Hugh Purcell has been tracking Freeman's story trying to come face to face with this enigma who believed in changing his life and his wife every ten years Why did Freeman want to forget what most old men would be proud to remember Why did he try to erase himself from history And yet despite Freeman's best efforts to be ignored his death in 2014 was marked by an enormous outpouring of appreciation and admiration With his life now free from its shroud of inscrutability the true story of this incredibly multifaceted man can finally be told

Head of Drama Sydney Newman, 17-09-05 The memoir of the creator of *Doctor Who* and a legend in British and Canadian TV and film A major influence on the BBC and independent television in Britain in the 1960s as well as on CBC and the National Film Board in Canada Sydney Newman acted as head of drama at a key period in the history of television For the first time his comprehensive memoirs written in the years before his death in 1997 are being made public Born to a poor Jewish family in the tenements of Queen Street in Toronto Newman's artistic talent got him a job at the NFB under John Grierson He then became one of the first producers at CBC TV before heading overseas to the U K where he revitalized drama programming Harold Pinter and Alun Owen were playwrights whom Newman nurtured and their contemporary socially conscious plays were successful both artistically and commercially At the BBC overseeing a staff of 400 he developed a science fiction show that flourishes to this day *Doctor Who* Providing further context to Newman's memoir is an in depth biographical essay by Graeme Burk which positions Newman's legacy in the history of television and an afterword by one of Sydney's daughters Deirdre Newman

The Dark Landscape of Modern Fiction Patrick Reilly, 2018-05-08 This title was first published in 2003 This text explores the dark pessimistic truth that pervades the pages of modern texts setting a theme of Dante's *Inferno* against the work of modern authors including Dostoyevsky Hardy Conrad Wharton Kafka Camus Waugh and Flannery O'Connor The author's thesis is that these writers exhibit a hostility towards the reader an anger that the reader should continue to be so deludedly

happy when the writer has become so mortifyingly enlightened At its most characteristic Reilly demonstrates modern fiction seems to achieve a savage satisfaction in inflicting this pain to an extent that could be described as sadistic Reilly traces what he calls this punitive spirit to a character in the Inferno Vanni Fucci who suffering himself does his best to make Dante suffer too Through the study he uses the Inferno as a guide to the prevailing attitudes in modern fiction revealing a parallel between the prohibition of pity within the medieval poem and in the pages of modern texts **What Magick May Not**

The Mad Pomegranate & the Praying Mantis Peter Luke, 1984 Tells the story of a playwright who went to Spain to make a film about the poet Federico Garcia Lorca Luke made the film and then stayed on in Andalusia with his wife and children for another ten years during which time they became almond lemon *The Great Shame* Thomas Keneally, 2010-09-22 Thomas Keneally recounts history with the uncanny skill of a great novelist whose only interest is to lay bare the human heart in all its hope and pain As he was able to do in Schindler's List he shows us in *The Great Shame* a people despised and rejected to the point of death who in the face of all their sorrows manage to keep their souls This story of oppression famine and emigration a principal chapter in the story of man's inhumanity to man becomes in Keneally's hands an act of resurrection Irishmen and Irishwomen of a century and a half ago live once more within the pages of this book Thomas Cahill author of *How the Irish Saved Civilization* In the nineteenth century Ireland lost half of its population to famine emigration to the United States and Canada and the forced transportation of convicts to Australia The forebears of Thomas Keneally author of *Schindler's List* were victims of that tragedy and in *The Great Shame* Keneally has written an astonishing monumental work that tells the full story of the Irish diaspora with the narrative grip and flair of a great novel Based on unique research among little known sources this masterly book surveys eighty years of Irish history through the eyes of political prisoners including Keneally's ancestors who left Ireland in chains and eventually found glory in one form or another in Australia and America We meet William Smith O'Brien leader of an uprising at the height of the Irish Famine who rose from solitary confinement in Australia to become the Mandela of his age Thomas Francis Meagher whose escape from Australian captivity led to a glittering American career as an orator a Union general and governor of Montana John Mitchel who became a Confederate newspaper reporter gave two of his sons to the Southern cause was imprisoned with Jefferson Davis and returned to Ireland to become mayor of Tipperary and John Boyle O'Reilly who fled a life sentence in Australia to become one of nineteenth century America's leading literary lights Through the lives of many such men and women famous and obscure some heroes and some fools most a little of both all of them stubborn acutely sensitive and devastatingly charming we become immersed in the Irish experience and its astonishing history From Ireland to Canada and the United States to the bush towns of Australia we are plunged into stories of tragedy survival and triumph All are vividly portrayed in Keneally's spellbinding prose as he reveals the enormous influence the exiled Irish have had on the English speaking world A terrible and personal
