Six Plays Of Plautus:

Six plays of Plautus Titus Maccius Plautus,1963

The Poetics of Imitation in the Italian Theatre of the

Renaissance Salvatore Di Maria,2013-01-01 The theatre of the Italian Renaissance was directly inspired by the classical stage of Greece and Rome and many have argued that the former imitated the latter without developing a new theatre tradition In this book Salvatore DiMaria investigates aspects of innovation that made Italian Renaissance stage a modern original theatre in its own right He provides important evidence for creative imitation at work by comparing sources and imitations including Machiavelli s *Mandragola* and Clizia Cecchi s *Assiuolo Groto* s Emilia and Dolce s *Marianna* and highlighting source elements that these playwrights chose to adopt modify or omit entirely DiMaria delves into how playwrights not only brought inventive new dramaturgical methods to the genre but also incorporated significant aspects of the morals and aesthetic preferences familiar to contemporary spectators into their works By proposing the theatre of the Italian Renaissance as a poetic window into the living realities of sixteenth century Italy he provides a fresh approach to reading the works of this period

Biblical References in Shakespeare's Plays Naseeb Shaheen,2011-09-16 The hundreds of biblical references in Shakespeare s plays give ample evidence that he was well acquainted with Scripture Not only is the range of his biblical references impressive but also the aptness with which he makes them *Hamlet* and *Othello* each have more than fifty biblical references No study of Shakespeare s plays is complete that ignores Shakespeare s use of scripture The Bibles that Shakespeare knew however were not those that are in use today By the time the King James Bible appeared in 1611 Shakespeare s career was all but over and the Anglican liturgy that is evident in his plays is likewise one that few persons are acquainted with This volume provides a comprehensive survey of the English Bibles of Shakespeare s day notes their similarities and differences and indicates which version the playwright knew best The thorny question of what constitutes a valid biblical reference is also discussed This study of Shakespeare s biblical references is not based on secondary sources The author owned one of the world s largest collections of early English bibles including over one hundred copies of the Geneva bible and numerous editions of other Bibles prayer books and books of homilies of Shakespeare s day To be of real worth a study of Shakespeare s biblical references should also enable the reader to determine which references Shakespeare borrowed from his plot sources and which he added from his own memory as part of his design for the play The author studies every source that Shakespeare is known to have read or consulted before writing each play and has examined the biblical references in those sources Shaheen then points out which biblical references in his literary sources Shakespeare accepted and how he adapted them in his plays This information is especially valuable when assessing the theological meanings that are sometimes imposed on his plays meanings that often go beyond what Shakespeare intended or what his audience must have understood *Biblical References in Shakespeare s Plays* is considerably broader in scope than any other study of its kind and provides the scholarly checks and balances in dealing with the subject that previous studies lacked

The Stagecraft and Performance of Roman Comedy C. W. Marshall, 2006-11-02 A comprehensive survey of Roman theatrical production this book examines all aspects of Roman performance practice and provides fresh insights on the comedies of Plautus and Terence Following an introductory chapter on the experience of Roman comedy from the perspective of Roman actors and the Roman audience addressing among other things the economic concerns of putting on a play in the Roman republic subsequent chapters provide detailed studies of troupe size and the implications for role assignment masks stage action music and improvisation in the plays of Plautus and Terence Marshall argues that Roman comedy was raw comedy much more rough and ready than its Hellenistic precursors but still fully conscious of its literary past The consequences of this lead to fresh conclusions concerning the dramatic structure of Roman comedy and a clearer understanding of the relationship between the plays as text and the role of improvisation during performance *Classics in Translation, Volume II* Paul L. MacKendrick, Herbert M. Howe, 2012-11 Here translated into modern idiom are many works of the authors whose ideas have constituted the mainstream of classical thought This volume of new translations was born of necessity to answer the needs of a course in Greek and Roman culture offered by the Department of Integrated Liberal Studies at the University of Wisconsin **Divine Poetry and Drama in Sixteenth-Century England** Lily B. Campbell, 2011-02-03 Examines the use by writers of English versions of the Bible in sixteenth century England Classical Philology, 1919 *Aesop's Fables in Latin* Laura Gibbs, 2009-01-01 **Soliloquy in Ancient Comedy** John Dean Bickford, 1922 **Classical pamphlets**, 1912

Reviewing **Six Plays Of Plautus**: Unlocking the Spellbinding Force of Linguistics
