Six Ways To Pray From Six Great Saints:

Six Ways to Pray from Six Great Saints Gloria Hutchinson, 1982 Practical aids for prayer that enlist advice and techniques from Francis Clare Ignatius John of the Cross Teresa of Avila and Therese of Lisieux The Way We Pray Maggie Oman Shannon, 2001-10-01 Collecting prayer practices from around the world the author introduces readers to her favorites fifty forms of prayer worship and meditation with details about their history and roots in particular religious traditions Original

Michael, 2004 An Introduction to

Spiritual Direction is a clear nuanced and practical handbook for spiritual directors and directees that examines what it means to be spiritually whole and the process that gets us there It is based in part on the two year training course that the author conducts at Spiritual Direction Institute the teachings of the depth psychologist Carl Jung and the Christian traditionalists among them St Francis de Sales Ignatius of Loyola Teresa of Avila and John of the Cross It is further conjoined with sections on the qualities of the good director and directee with fascinating forays into the nature of temperament and psychological type The core of the book is devoted to its larger question the actual growth and acquisition of spiritual wisdom where the stages pitfalls remedies rewards as well as the importance of spiritual direction especially during times of crises are examined in numerous comprehensive sections Dovetailed with chapter notes and questions index and extensive bibliography An Introduction to Spiritual Direction deserves recognition by directors directees counselors students and practitioners of psychology and religious educators It is a great starting point for spiritual exploration **Our Church**

Mothers Gwen Ehrenborg, 2021-09-21 Our Church Mothers contains seven first person letters from formidable historical women who crafted for themselves roles of strategic importance in the history of Christianity You will become personally familiar with Katharina Luther first lady of the Reformation Susanna Wesley the Mother of Methodism Catherine Booth co founder of the Salvation Army Mary the Mother of Jesus St Clare best friend of Francis of Assisi Mother Teresa of Calcutta and Judge Deborah as a forerunner You will be moved as you read these heroines letters written to encourage today's believers as they share their thoughts feelings and daring experiences as they were led by the Spirit of God Learn how these female leaders and their partners in ministry overcame tremendous challenges to bear fruit for the Kingdom of God Living in different countries centuries and cultures they certainly share admirable characteristics in sacrificially choosing to address ignored human needs they observe with exceptional faith and action A common theme among these women is that not only their own children but their constituents as well recognized them as exceptional Mother figures and as spiritual leaders anointed by God Each of these women were addressed as Mother even though three of them never had children by birth The

five mothers who were also wives ably supported their husbands as helpmates while pursuing their own spiritual calling. None of these women allowed negative social pressures to prevent them from achieving their ministry goals. All seven women have name recognition today yet people are surprised to learn that Mother Teresa was actually an Irish nun born in Albania who became a citizen of India. Did you know the monk Martin Luther at age 41 took a wife who was a 26 year old former nun who bore him 6 children or the Salvation Army founders William and Catherine Booth's love story rivals that of the Barrett Brownings and that Judge Deborah was the Joan of Arc of her day. The writing style in each letter indicates a desire for a personal friendship between the author and their modern day reader as fellow believers. When these ladies share the fruitful work of God in their lives they clearly hope to encourage others to believe they too can positively make a real change in their world for the benefit of others and the glory of God. Let these heroic Mothers of the Faith inspire and challenge you to fulfill your destiny and unique service to Christ. **The Navy Chaplain**, 1989 **The Sacred Slow** Alicia Britt Chole, 2017-09-26

Tired of quick fixes and fast faith. The Sacred Slow is an invitation to unhurried honesty before God. If yesterday's word was simple tomorrow's word will be slow. Our culture is shifting from fast food to healthy food both physically and spiritually. Self care, soul care, life coaches and spiritual retreats all show our dissatisfaction in quick fixes and fast faith. The Sacred Slow is an invitation to unhurried honesty before God. Formatted as 52 experiences, The Sacred Slow reminds readers on every page that God never wanted to use them. He always wanted to love them. The overflow of Dr. Alicia Britt Chole's more than thirty years as a spiritual mentor to leaders and learners as well as her personal practical and penetrating tone will guide you to a richer, more life-giving relationship with God. Perfect for use as a devotional or in small groups, each chapter features a short, unexpected reading. Two options for application: a thought focus or a heart exercise. Encouragement to develop growing, sustainable intimacy with God. Whether you're exhausted by emptiness or worn from weariness, you'll discover healing and restoration in these pages. In this age of distraction, learn to slow down and reorient your life to learn, grow, and experience God as never before. Christ's Empowering Presence Gary Tyra, 2012-01-04. Christ's Empowering Presence looks at the Spiritual Disciplines through the eyes of both classical and contemporary writers, a process that changed the author's life.
