

Slave Family

Yan Bai

Slave Family:

Help Me to Find My People Heather Andrea Williams, 2012-06-01 After the Civil War African Americans placed poignant information wanted advertisements in newspapers searching for missing family members Inspired by the power of these ads Heather Andrea Williams uses slave narratives letters interviews public records and diaries to guide readers back to devastating moments of family separation during slavery when people were sold away from parents siblings spouses and children Williams explores the heartbreaking stories of separation and the long usually unsuccessful journeys toward reunification Examining the interior lives of the enslaved and freedpeople as they tried to come to terms with great loss Williams grounds their grief fear anger longing frustration and hope in the history of American slavery and the domestic slave trade Williams follows those who were separated chronicles their searches and documents the rare experience of reunion She also explores the sympathy indifference hostility or empathy expressed by whites about sundered black families Williams shows how searches for family members in the post Civil War era continue to reverberate in African American culture in the ongoing search for family history and connection across generations

Life in Black and White Brenda E. Stevenson, 1997-11-06 Life in the old South has always fascinated Americans whether in the mythical portrayals of the planter elite from fiction such as *Gone With the Wind* or in historical studies that look inside the slave cabin Now Brenda E Stevenson presents a reality far more gripping than popular legend even as she challenges the conventional wisdom of academic historians *Life in Black and White* provides a panoramic portrait of family and community life in and around Loudoun County Virginia weaving the fascinating personal stories of planters and slaves of free blacks and poor to middling whites into a powerful portrait of southern society from the mid eighteenth century to the Civil War Loudoun County and its vicinity encapsulated the full sweep of southern life Here the region s most illustrious families the Lees Masons Carters Monroes and Peytons helped forge southern traditions and attitudes that became characteristic of the entire region while mingling with yeoman farmers of German Scotch Irish and Irish descent and free black families who lived alongside abolitionist Quakers and thousands of slaves Stevenson brilliantly recounts their stories as she builds the complex picture of their intertwined lives revealing how their combined histories guaranteed Loudoun s role in important state regional and national events and controversies Both the Declaration of Independence and the U S Constitution for example were hidden at a local plantation during the War of 1812 James Monroe wrote his famous Doctrine at his Loudoun estate The area also was the birthplace of celebrated fugitive slave Daniel Dangerfield the home of John Janney chairman of the Virginia secession convention a center for Underground Railroad activities and the location of John Brown s infamous 1859 raid at Harpers Ferry In exploring the central role of the family Brenda Stevenson offers a wealth of insight we look into the lives of upper class women who bore the oppressive weight of marriage and motherhood as practiced in the South and the equally burdensome roles of their husbands whose honor was tied to their ability to support and lead regardless of their personal

preference the yeoman farm family's struggle for respectability and the marginal economic existence of free blacks and its undermining influence on their family life Most important Stevenson breaks new ground in her depiction of slave family life Following the lead of historian Herbert Gutman most scholars have accepted the idea that like white slaves embraced the nuclear family both as a living reality and an ideal Stevenson destroys this notion showing that the harsh realities of slavery even for those who belonged to such attentive masters as George Washington allowed little possibility of a nuclear family Far more important were extended kin networks and female headed households Meticulously researched insightful and moving Life in Black and White offers our most detailed portrait yet of the reality of southern life It forever changes our understanding of family and race relations during the reign of the peculiar institution in the American South [A Slave Family](#) Bobbie Kalman, Amanda Bishop, 2003 Introduces the personal relationships and daily activities that were part of the family life of slaves in colonial America **The Colonial Slave Family** Laura Sullivan, 2015-07-15 Explore the life of a colonial slave family including where and how they lived the work they did and the hardships they endured **Slaves in the Family** Edward Ball, 2017-10-24 Decades after this celebrated work of narrative nonfiction won the National Book Award and changed the American conversation about race Slaves in the Family is reissued by FSG Classics with a new preface by the author The Ball family hails from South Carolina Charleston and thereabouts Their plantations were among the oldest and longest standing plantations in the South Between 1698 and 1865 close to four thousand black people were born into slavery under the Balls or were bought by them In Slaves in the Family Edward Ball recounts his efforts to track down and meet the descendants of his family's slaves Part historical narrative part oral history part personal story of investigation and catharsis Slaves in the Family is in the words of Pat Conroy a work of breathtaking generosity and courage a magnificent study of the complexity and strangeness and beauty of the word family *The African-American Family in Slavery and Emancipation* Wilma A. Dunaway, 2003-04-14 Table of contents *Slave Populations of the British Caribbean, 1807-1834* B. W. Higman, 1995 Reprint of work that originally appeared in 1984 Excellent and thorough treatment of major demographic aspects of British Caribbean slavery from abolition of slave trade to slave emancipation Draws heavily on extensive data available from slave registration returns for various islands to provide comparative perspective of nature of slave life Excellent tables and figures Essential for serious scholars of the region Handbook of Latin American Studies v 58 [A Chesapeake Family and Their Slaves](#) Anne E. Yentsch, 1994-05-12 This book is a unique archaeological study of a British aristocratic family in eighteenth century Chesapeake *Family and Frontier in Colonial Brazil* Alida C. Metcalf, 2005-03-01 Family and Frontier in Colonial Brazil was originally published by the University of California Press in 1992 Alida Metcalf has written a new preface for this first paperback edition [Unto a Good Land](#) David Edwin Harrell, John B. Boles, Sally Foreman Griffith, 2005-08-04 Unto a Good Land offers a distinctive narrative history of the American people from the first contacts between Europeans and North America's native inhabitants through the creation of a modern nation to the standing of the

United States as a world power Written by a team of distinguished historians led by David Edwin Harrell Jr and Edwin S Gaustad this textbook shows how grasping the uniqueness of the bAmerican experimentb depends on understanding the role of religion as well as social cultural political and economic factors in shaping U S history A common shortcoming of most United States history textbooks is that while in recent decades they have expanded their coverage of social and cultural history they still tend to shortchange the role of religious ideas practices and movements in the American past Unto a Good Land addresses this shortcoming in a balanced way The authors recognize that religion is only one of many factors that have influenced our past one however that has often been neglected in textbook accounts This volume gives religion its appropriate place in the story Unprecedented coverage of the forces that have shaped the history of the United States While none of America s rich history is left out this volume is the first U S history textbook to give serious attention to the religious dimension of American life This textbook is not a religious history instead it offers an account of American history that includes religious ideas practices and movements whenever they played a shaping role Comprehensive and current This volume traces the American story from the earliest encounters between the first North American inhabitants and Europeans through the 2004 presidential election Complete and balanced treatment is also given to issues of gender race and ethnicity as well as cultural political and economic forces A clear and compelling narrative The authors are more than expert historians they are also talented writers who recognize history to be the retelling of human life United by a seamless narrative structure these chapters restore the bstoryb to history Multiple formats specially designed for flexible classroom use Unto a Good Land is available as a single hardcover edition or as two paperback volumes offering maximum flexibility when adapting curriculum for one and two semester courses in U S history The two paperback volumes can be used for U S history survey courses divided at 1865 or 1900 or at any date in between Informative special features to complement the text In addition to the book s exceptional narrative an array of special features enhances the instructional value of the text and points students to resources for further study Includes assistance for teaching and test preparation The instructor s manual for Unto a Good Land provides helpful suggestions for lesson plans and assignments and the test bank provides multiple choice and essay questions for use as study aids quizzes or tests Suitable for instruction at both secular and religious colleges and universities Drawing on their experience in both secular and religious schools the authors have ensured that this textbook is suitable for U S history classes in a wide variety of settings The Slavery Reader Gad J. Heuman,James Walvin,2003 Brings together the most recent and essential writings on slavery Spanning almost five centuries the late fifteenth until the mid nineteenth the articles trace the range and impact of slavery on the modern western world

Unburdened by Conscience Anthony W. Neal,2009 In Unburdened by Conscience Anthony W Neal forcefully argues that influential historians have been unable to offer a complete account of ante bellum era American slavery because of their preoccupation with humanizing the slaveholders He charges them with concealing the full horrors of slavery in order to

present the slaveholders in a more positive light By skillfully weaving together candid first hand accounts of courageous ex slaves Neal then permits us to see slavery in the United States from their point of view Former slaves talk openly about the break up of their marital unions and families and about matters rarely examined in most American slavery history books Those issues include the slaveholders legally sanctioned acts of violence their practice of slave breeding and their rape of black women Through this work Neal gives a voice to black people who endured American slavery and they present a sobering record of it that is not found in most books on the topic BOOK JACKET *Slave Women in Caribbean Society, 1650-1838* Barbara Bush,1990 In this text the author sets forth and then evaluates the images of slave women accumulated in published sources and folklore *Slavery, Fatherhood, and Paternal Duty in African American Communities over the Long Nineteenth Century* Libra R. Hilde,2020-10-01 Analyzing published and archival oral histories of formerly enslaved African Americans Libra R Hilde explores the meanings of manhood and fatherhood during and after the era of slavery demonstrating that black men and women articulated a surprisingly broad and consistent vision of paternal duty across more than a century Complicating the tendency among historians to conflate masculinity within slavery with heroic resistance Hilde emphasizes that while some enslaved men openly rebelled many chose subtle forms of resistance in the context of family and local community She explains how a significant number of enslaved men served as caretakers to their children and shaped their lives and identities From the standpoint of enslavers this was particularly threatening a man who fed his children built up the master s property but a man who fed them notions of autonomy put cracks in the edifice of slavery Fatherhood highlighted the agonizing contradictions of the condition of enslavement and to be an involved father was to face intractable dilemmas yet many men tried By telling the story of the often quietly heroic efforts that enslaved men undertook to be fathers Hilde reveals how formerly enslaved African Americans evaluated their fathers including white fathers and envisioned an honorable manhood *A Family Venture* Joan E. Cashin,1991-10-24 This book is about the different ways that men and women experienced migration from the Southern seaboard to the antebellum Southern frontier Based upon extensive research in planter family papers Cashin studies how the sexes went to the frontier with diverging agendas men tried to escape the family while women tried to preserve it On the frontier men usually settled far from relatives leaving women lonely and disoriented in a strange environment As kinship networks broke down sex roles changed and relations between men and women became more inequitable Migration also changed race relations because many men abandoned paternalistic race relations and abused their slaves However many women continued to practice paternalism and a few even sympathized with slaves as they never had before Drawing on rich archival sources Cashin examines the decision of families to migrate the effects of migration on planter family life and the way old ties were maintained and new ones formed

Family History ,1985 An ambitious volume of studies of the origins and trends in family history of major geographical areas **Discover Your Family History Online** Nancy Hendrickson,2012-03-05 Your Guide to Online Genealogy The
