M. Tulloch,1907 Soulful Reflections Linda L Franklin,2022-08-08 We are all looking for love and we all have experienced the loss of love or the pain of rejection My poetry deals with Love Friendship hopes and dreams but at the same time gives hope Most of my poems are about an essence of a person and the possibility of finding them in this lifetime My poems relate to a lot of different situations They are easy to read and understand I have been told by some people that they were not fond of poetry but after reading some of my poems have completely changed their opinion The Life of a Hunter Michelle

Robinson,2005-09 Part detective novel part cinematic saga part street smart narrative the poems in The Life of a Hunter form a document of expedition that couples individual discovery with communal transformation Michelle Robinson s characters are consigned to particular mechanisms of survival to various forms of physical and psychological evolutions as a reaction to their search for an acceptable spiritual condition The multiple identities of her pressured characters are susceptible to physical transformations that provide a brief jolt of anesthesia instead of the cold tenderness of interruption Robinson uses the culture of film and fiction as an analogy for the world just out of reach and the world already at hand preoccupied with what precision sounds like the figures in her poems respond to the possibility of future change as well as the fact that change is a constant in their lives Don t misunderstand It was the most cynical year of our era and anything would have been better than to have been asked to find something beautiful Robinson s is a strong young voice detached and observant yet disturbingly present **The Air You Breathe** Frances de Pontes Peebles,2019-07-02 A glorious glittery saga of friendship and loss I read The Air You Breathe in two nights One might say I inhaled it NPR Echoes of Elena Ferrante

destined to be a star Their intimate volatile bond will determine each of their fortunes and haunt their memories Traveling from Brazil's inland sugar plantations to the rowdy streets of Rio de Janeiro's famous Lapa neighborhood from Los Angeles during the Golden Age of Hollywood back to the irresistible drumbeat of home *The Air You Breathe* unfurls a moving portrait of a lifelong friendship its unparalleled rewards and lasting losses and considers what we owe to the relationships that shape our lives     The Marlburian Marlborough coll,1867     *Sacred odes* Edward Massie,1866
