Megginson,1993-01-01 The Successful Entrepreneur's Guidebook Colin Barrow,Robert Brown,Liz Clarke,2006 Exploring the characteristics of champion enterprises this guidebook helps entrepreneurs develop professionally and grow their business It charts the problems owner managed firms are likely to encounter and suggests ways to anticipate and resolve them What Entrepreneurs Need to Know about Government Wesley B. Truitt,2004-08-30 No business operates in America today under purely market forces Myriad rules and regulations govern every area of business conduct from establishing the firm to ensuring protection of the environment to hiring and firing policies More than half of all startups that fail in the first year do so not because they produce inferior products or neglect to analyze the competition but because they do not understand the regulatory environment in which they operate In What Entrepreneurs Need to Know about Government Wesley Truitt presents the most comprehensive overview of government regulation and its impact on business management to date Covering all levels of regulation federal state and local municipal and all stages in a firm s growth cycle establishment expansion and liquidation Truitt shows entrepreneurs and managers of established business alike how to navigate the minefield of rules and policies that oversee business activity Drawing from a wide variety of primary data sources and his own extensive experience in the public and private sectors Truitt clearly explains how government regulation of business has evolved and analyzes its positive and negative implications for management Featuring descriptions of all the key agencies and summaries of major laws Truitt offers practical guidance through a huge array of issues including intellectual property protection legal incorporation product safety and liability taxes mergers and acquisitions employee benefit programs divestiture and much more He identifies common pitfalls to avoid ways to benefit through government assistance programs and methods for influencing the policymaking process Including practical checklists and extensive listings of informational resources What Entrepreneurs Need to Know about Government is an essential guide for any business competing in the not so free market **Leadership** Ronald R. Sims,Scott A. Quatro,2015-01-28 The contributors to this wide ranging volume seek to define exactly what leadership is or should be and how to effectively develop it Guided by an unusual framework that looks at leadership across different sectors and functions they examine what they view as the major leadership challenges in highly visible for profit not for profit and government organizations throughout the world

Their insights will prove equally useful as a general survey of leadership problems for executive policy makers and for undergraduate and graduate students in the specific fields examined in the text
