Small Farms Persistence With Legitimation Rural Studies:

Small Farms Alessandro Bonanno,2019-07-11 Why do small farms continue to coexist with ever larger farming operations in advanced Western societies Through a thorough case study of Italy and a comparative analysis of small farms in the United States Dr Bonanno seeks to answer this question exploring the complex relationships among farm family members ideology and behavior the small farm economic sector and the interaction of small farms within the relevant spheres of society He finds that at the structural level a lack of occupational alternatives and contradictions within both labor and land markets often force farmers to retain marginal farms despite personal dissatisfaction At the ideological level many farm families display deep attachment to the agrarian way of life and cite this as a fundamental reason for not leaving the farm for other work Dr Bonanno also analyzes the role of small farms within the social system and concludes that they serve a legitimative function This legitimative role fosters contradictions within the social and economic systems that the state is unable to resolve thus contributing to the continuation of a dual structure in agricultural development large and very large farms at one end of the scale and marginal but persistent small farms at the other *Rural Development Perspectives* ,1988-06

Persistent Poverty In Rural America Rural Sociological Society,2019-05-28 A team of anthropologists economists geographers political scientists social workers and sociologists examine the leading explanations for why poverty persists in rural America Their findings discredit established theories such as the culture of poverty and suggest new explanations for rural poverty and new directions for antipoverty programs Wood Preservation Patrick J. Kenneth Pigg,2019-07-09 It has been my pleasure to work with a distinguished committed and cooperative group of contributors to this volume They have taught me how to perform the editing role and put up with innumerable and probably insufferable suggestions I have been privileged to work with exceptionally fine individuals in this endeavor and will count that among my many blessings **Rural Policies For The 1990s** Cornelia Flora,James A Christenson,2019-07-11

Crisis in rural America is by now an all too familiar complaint yet the problems presented by changing demographics economic decline and increasing poverty persist They have not vanished with a new administration However with a new farm bill in the offing now is the time for a fresh initiative to assess the difficulties facing nonurban America and to offer positive solutions Rural Policies for the 1990s written by some of the foremost experts on rural America focuses on policy relevant research Within a carefully crafted framework the contributors present stimulating discussions on resolving problems and improving

the situation in rural areas Looking at the crucial issues of employment demographics environment technology and the global impacts of national and international policies they offer a broad analysis that is neither regionally based nor biased The result is not an advocacy book but one that effectively enhances our understanding of the problems facing rural America and presents concrete proposals for revitalizing it **Research, Realpolitik, And Development In Korea** Larry
