ADDT 2023 Chaoqun Shen, Mohd Fauzi bin Sedon, Jia Li, 2024-01-11 The 2023 2nd International Conference on Art Design and Digital Technology ADDT 2023 was successfully held on September 15-17, 2023 in Xi'an, China. ADDT 2023 created a forum for idea sharing and research exchange, opened up new perspectives in related fields, and broadened the horizons of all participants. In the conference, 100 individuals around the world took part. Divided into three parts, the conference agenda covered keynote speeches, oral presentations, and online Q & A discussion. Firstly, the keynote speakers were each allocated 30-45 minutes to address their speeches. Then, in the oral presentations, the excellent papers we had selected were presented by their authors one by one. We are glad to share with you that we've selected a bunch of high-quality papers from the submissions and compiled them into the proceedings after rigorously reviewing them. These papers feature but are not limited to the following topics: Computer Art, Visual Design, Digital Media, Innovative Technology, etc. All the papers have been checked through rigorous review and processes to meet the requirements of publication. We would like to acknowledge all of those who supported ADDT 2023 and made it a great success. In particular, we would like to thank the European Alliance for Innovation (EAI) for the hard work of all its colleagues in publishing this paper volume. We sincerely hope that the ADDT 2023 turned out to be a forum for excellent discussions that enable new ideas to come about promoting collaborative research.

start students on the path to developing a healthy mind and body which can lead to a better quality of life. Additionally, because *Fitness and Wellness A Way of Life* emphasizes behavior modification to develop desired habits, students are armed with the tools they need to make healthy lifestyle changes for both the present and future. Related online learning tools delivered through HKPropel offer 48 video clips and practical learning activities to provide real life context to the material. Behavior Check sidebars help students integrate health and wellness concepts into their daily lives. Now and Later sidebars encourage students to consider how their actions today will affect them in the future. The Functional Movement Training section shows exercises to strengthen specific muscles and explains their importance for common activities. Infographics, evidence-based tables and figures illustrate and reinforce key concepts so they are easy to understand. The online activities in HKPropel offer students the unique opportunity to engage directly with the content and practice the exercises and strategies presented. In addition to the 48 exercises demonstrating proper exercise technique, lab activities for each chapter will guide students in completing individual assessments, setting goals and identifying the pros and cons of modifying their behavior. The labs may be assigned by instructors and tracked within HKPropel, and chapter quizzes/assessments that are automatically graded may also be assigned to gauge student comprehension of the content. The primary goal of *Fitness and Wellness A Way of Life* is to provide a personal, evidence-based tool to help students embrace living well. They will learn how to make healthy choices and positive behavior changes to lead and sustain healthier, happier and more productive lives now and in the future. Note: A code for accessing HKPropel is not included with this ebook but may be purchased separately.
