Smelser Sociology:

Getting Sociology Right Neil J. Smelser, 2014-04-12 Neil J Smelser one of the most important and influential American sociologists traces the discipline of sociology from 1969 to the early twenty first century in *Getting Sociology Right A Half Century of Reflections* Examining sociology as a vocation and building on the work of Talcott Parsons Smelser discusses his views on the discipline of sociology and shows how his perspective of the field evolved in the postwar era **Sociology** Neil J. Smelser, 1995 Includes bibliographical references index **Problematics of Sociology** Neil J. Smelser, 2023-12-22 These skillfully written essays are based on the Georg Simmel Lectures delivered by Neil J Smelser at Humboldt University in Berlin in the spring of 1995 A distillation of Smelser s reflections after nearly four decades of research teaching and thought in the field of sociology the essays identify as he says in the first chapter some central problematics those generic recurrent never resolved and never completely resolvable issues that shape the work of the sociologist Each chapter considers a different level of sociological analysis micro the person and personal interaction meso groups organizations movements macro societies and global multi societal Within this framework Smelser covers a variety of topics including the place of the rational and the nonrational in social action and in social science theory the changing character of group attachments in post industrial society the eclipse of social class and the decline of the nation state as a focus of solidarity The clarity of Smelser s writing makes this a book that will be welcomed throughout the field of social science as well as by anyone wishing to understand sociology s essential characteristics and problems These skillfully written essays are based on the Georg Simmel Lectures delivered by Neil J Smelser at Humboldt University in Berlin in the spring of 1995 A distillation of Smelser s reflections after nearly four decades of research teaching and thought **Essays in Sociological Explanation** Neil J. Smelser, 2013-03 Collection of essays on sociology causation and pragmatic considerations by one of the leading social scientists of the past half century Now republished in quality ebook format with active TOC linked notes and proper presentation for ereaders and apps **Sociology: an Introduction. Edited by Neil J. Smelser. [By Various Authors. With Illustrations.]** Neil Joseph SMELSER, 1967 **The Handbook of Economic Sociology** Neil J. Smelser, Richard Swedberg, 2010-07-28 The Handbook of Economic Sociology Second Edition is the most comprehensive and up to date treatment of economic sociology available The first edition copublished in 1994 by Princeton University Press and the Russell Sage Foundation as a synthesis of the burgeoning field of economic sociology soon established itself as the definitive presentation of the field and has been widely read reviewed and adopted Since then the field of economic sociology has continued to grow by leaps and bounds and to move into new theoretical and empirical territory The second edition while being as all embracing in its coverage as the first edition represents a wholesale revamping Neil Smelser and Richard Swedberg have kept the main overall framework intact but nearly two thirds of the chapters are new or have new authors As in the first edition they bring together leading sociologists as well as representatives of other social sciences But the thirty

chapters of this volume incorporate many substantial thematic changes and new lines of research for example more focus on international and global concerns chapters on institutional analysis the transition from socialist economies organization and networks and the economic sociology of the ancient world The Handbook of Economic Sociology Second Edition is the definitive resource on what continues to be one of the leading edges of sociology and one of its most important interdisciplinary adventures It is a must read for all faculty graduate students and undergraduates doing work in the field A thoroughly revised and updated version of the most comprehensive treatment of economic sociology available Almost two thirds of the chapters are new or have new authors Authors include leading sociologists as well as representatives of other social sciences Substantial thematic changes and new lines of research including more focus on international and global concerns institutional analysis the transition from socialist economies and organization and networks The definitive resource on what continues to be one of the leading edges of sociology and one of its most important interdisciplinary adventures A must read for faculty graduate students and undergraduates doing work in the field **Sociology** Behavioral and Social Sciences Survey Committee. Sociology Panel,1969 **Sociology** Behavioral and Social Sciences Survey. Sociology Panel,1969 **Sociology, ed., by N.J.Smelser and J.A.Davis** Behavioral and Social Sciences Survey Committee. Sociology Panel,Neil J. Smelser,James Allan Davis, *Sociological Theory - A Contemporary View* Neil J. Smelser,2013-04-11 A pithy and clear guide to the process of creating and evaluating theory in the social sciences Using a simple model of theory creation and assessment and applying it in depth to foundational and still relevant social and economic theorists such as Durkheim Marx and Parsons Neil Smelser shows the way to a better understanding of what social political and similar theory is supposed to accomplish and how it can be read critically First appearing in 1971 as a monograph drawn from his undergraduate class on sociological theory Dr Smelser s how to book is now presented in modern format and with his timeless examples and explanations Featuring a new Preface by the author as well as a new 2011 Foreword by Arlie Russell Hochschild this book makes understanding the insides of a theoretical framework as clear as such a daunting feat can credibly be accomplished Useful for students and researchers learning the tools to read all sorts of theory in a critical manner its republication and new presentation bring Dr Smelser s legendary course on social theory to a new generation Quality ebook formatting includes active Table of Contents linked footnotes legible graphics and linked Index of Sections The original page numbers are embedded for continuity of citation and syllabi Part of the Classics of the Social Sciences Series from Quid Pro Books Available in digital and new paperback edition *The Social Edges of Psychoanalysis* Neil J. Smelser,2023-04-28 For several decades the writings of sociologist Neil J Smelser have won him a vast and admiring audience across several disciplines Best known for his work on social movements economic sociology and British social history Smelser s psychoanalytic writings are less familiar to his readers In fact many people are completely unaware of Smelser s formal psychoanalytic training and ongoing counseling practice With the publication of The Social Edges of

Psychoanalysis Smelser's thought provoking essays on psychoanalytic concepts are finally brought together in one book Psychoanalytic theory has had an ambivalent relationship with sociology and these essays explore that ambivalence providing arguments about how and why psychoanalytic approaches can deepen the sociological perspective One of Smelser's main tenets is that human social behavior always contains both social structural and social psychological elements and that psychoanalytic theory can bridge these two dimensions of human social life Many of the issues Smelser addresses including interdisciplinarity the macro micro link in research masculinity and violence and affirmative action have generated considerable scholarly interest This collection paves the way for further articulation of the relationship between sociology and psychoanalysis at a time when many sociologists are looking for interdisciplinary links in their work Presented with clarity and grace and free of the murkiness often found in both sociological and psychoanalytic writing Smelser's new book will excite reflection and research on the less visible dynamics of social existence For several decades the writings of sociologist Neil J Smelser have won him a vast and admiring audience across several disciplines Best known for his work on social movements economic sociology and British social history Smelser's psychoanalytic writing *Sociology. An Introduction*. D. by Neil J. Smelser Neil J.. Smelser,1967 *Comparative Methods in the Social Sciences* Neil J. Smelser,2013-02-28 Even after teaching generations of social scientists Neil Smelser's classic book remains the most definitive statement of methodological issues for all comparative scholars and in political science anthropology sociology economics and psychology Such issues are timeless and therefore Smelser's lucid analysis remains timely and relevant Smelser posits a methodological continuity between the comparative studies of past masters and the more recent flow of contemporary comparative work To that end he takes a pragmatic critical look at the classic studies of Alexis de Tocqueville Emile Durkheim and Max Weber His analyses respect the historical specifics and contexts of their work but at the same time raise general issues such as cross unit comparability empirical representation of theoretical concepts and measures and historical causality The book also deals with the ongoing flows of comparative study in the social sciences which while methodologically more self conscious than past work nevertheless face a common set of issues including causation and classification The book's unique clarity makes it particularly useful for working scholars as well as students fighting their way through the methodological thickets of comparative studies [The Sociology of Economic Life](#) Neil J. Smelser,2013-03 Quality ebook reprint of a classic work in the social sciences by one of the leading scholars on the intersection of two important disciplines economics and sociology This is an unabridged republication of the second edition presented with care and including linked notes index and original graphs and tables *Theory of Collective Behavior* Neil J. Smelser,1962 *Economic Sociology in Europe* Andrea Maurer,Sebastian Nessel,Alberto Veira-Ramos,2023-12-01 This volume examines the interplay of society and economy against the backdrop of recent crises as well as technological political and social change in Europe Covering a range of case studies from different European countries and regions the contributions analyse the effects of recent challenges such as the

Corona Pandemic the rise of economic nationalism the functioning of illegal markets as well as changes in markets and other economic institutions The book presents the current state of European economic sociological perspectives as well as an overview of the latest theoretical and methodological advancements in the field It will appeal to students and scholars of economic sociology economics political science political economy and comparative capitalism research The Restructuring of Social and Political Theory Richard J. Bernstein,1978-03 In this volume Bernstein foresees and outlines the development of a social theory that is at once empirical interpretive and critical **Self, Social Structure, and Beliefs** Jeffrey C. Alexander,Gary T. Marx,Christine L. Williams,2004-09-20 Annotation This is an exploration of the creative work done by leading sociologists who were inspired by the scholarship of Neil Smelser Sociology: an Introduction. Edited by Neil J. Smelser. 2nd Ed Neil Joseph SMELSER,1973 **The Wiley-Blackwell Companion to Economic Geography** Trevor J. Barnes,Jamie Peck,Eric Sheppard,2016-09-26 The Wiley Blackwell Companion to Economic Geography presents students and researchers with a comprehensive overview of the field put together by a prestigious editorial team with contributions from an international cast of prominent scholars Offers a fully revised expanded and up to date overview following the successful and highly regarded Companion to Economic Geography published by Blackwell a decade earlier providing a comprehensive assessment of the field Takes a prospective as well as retrospective look at the field reviewing recent developments recurrent challenges and emerging agendas Incorporates diverse perspectives in terms of specialty demography and geography of up and coming scholars going beyond a focus on Anglo American research Encourages authors and researchers to engage with and contextualize their situated perspectives Explores areas of overlap dialogues and potential engagement between economic geography and cognate disciplines
