The Snack Thief Tiffany Erickson, 2025-10-09 When Toby's after school snack goes missing each day his family has some interesting ideas about who took it But Toby makes a plan to solve this mystery and gets quite a surprise A delicious whodunit for ages 3-6 The Importance of Place in Contemporary Italian Crime Fiction Barbara

Pezzotti, 2012-09-14 By taking as its point of departure the privileged relationship between the crime novel and its setting this book is the most wide ranging examination of the way in which Italian detective fiction in the last twenty years has become a means to articulate the changes in the social landscape of the country Nowadays there is a general acknowledgment of the importance of place in Italian crime novels However apart from a limited scholarship on single cities the genre has never been systematically studied in a way that so comprehensively spans Italian national boundaries The originality of this volume also lies in the fact that the author have not limited her investigation to a series of cities but rather she has considered the different forms of social landscape in which Italian crime novels are set Through the analysis of the way in which cities the urban sprawl and islands are represented in the serial novels of eleven of the most important

contemporary crime writers in Italy of the 1990s Pezzotti articulates the different ways in which individual authors appropriate the structures and tropes of the genre to reflect the social transformations and dysfunctions of contemporary Italy In so doing this volume also makes a case for the genre as an instrument of social critique and analysis of a still elusive Italian national identity thus bringing further evidence in support of the thesis that in Italy detective fiction has come to play the role of the new social novel

Pebbles the Pug and the Case of the Missing Baconator Allen Dekeyser, 2025-06-13 A legendary burger A missing masterpiece A pug with a nose for mystery When the town's most delicious treasure the Baconator is stolen from under everyone's snouts only one detective is bold and hungry enough to crack the case Pebbles the Pug With her trusty magnifying glass an overactive imagination and a belly that growls louder than a thunderstorm Pebbles tracks clues across town interviews suspects mostly squirrels and uncovers a sizzling conspiracy that might just go all the way to the top bun Can Pebbles solve the case before the scent goes cold Or will the Baconator be lost forever in the annals of snack history

My Stomach Hurts! Lydia Dovera, 2008 Elia a five year old boy living in Milan can't wait to turn six so he can graduate from scuola materna combined preschool kindergarten and start elementary school Filled with enthusiasm when he enters first grade he quickly becomes disillusioned While the scuola materna teachers were nurturing the first grade teachers are rigid and strict concerned above all with discipline and order Elia soon begins to hate school and his self esteem collapses Halfway into the school year his life suddenly changes when his father accepts a job in Germany and Elia transfers to an international school which uses an utterly different approach After the change Elia becomes happy enthusiastic and eager to learn

The Secrets of Montalbano's Table Stefania Campo, 2022-02-16 An investigation into the gastronomic universe of Andrea Camilleri expressed through his illustrious character Inspector Montalbano gluttonous and constantly affected by an immoderate appetite For him food is the main object of desire and must be conquered at all costs but the secrets of the succulent dishes are guarded by others the housemaid Adelina Calogero Enzo The recipes are revealed in these tasty pages to be savored in silence and solitude with a happy and clear mind as when Montalbano sits down to taste his favorite dishes The result is an anthology as inviting as a well laid table with evocations of foods and dishes taken from Camilleri's childhood memories in Sicily
