Panchtantra Of New Era

Vanshika Mishra,2025-04-06 my first story is how a snake became a king defeating Lion the King of the Jungle by just power of his beliefs My second story is about what courage when a goat has enough courage to call out the King Of Jungle and his nuisance in front of all goat and how it deeply affects the King even though she is just a fearless Goat it teaches us to not be afraid of saying something we feel is wrong instead of mass following In this story I especially used the animal Goat because most Goat are followers and most people are also like that they follow the mass if the mass is criticising they will if mass is praising they will it s time to break the chain of mass following and make your own way and stop being afraid of not being accepted or liked by the masses My seventh story The Burning desire is how poisonous the emotion of jealousy is it just ruin whoever carries it instead of destroying others it destroys the person It teaches us whatever we focus on grows if focus on others they will grow if we focus on ourselves we will grow We need to learn to be ourselves instead of being in others minds My fifteenth story Camel on the ride is about finding silver light and how we can find our true purpose in darkness It means using the dark time in your favour by finding yourself and focusing on yourself and to not be afraid of change Change and growth are always two sides of the same coin as change and growth are connected in all ways My twentieth story The curious case of Dog is how an old woman by presence of her mind saves her house from the robber without fighting with the

robber and fools him and also gets him arrested this story is very deep in my heart cause we all face difficult moments in life and then we make it more difficult by our reactions by losing our mind but instead we should always stay calm and tackle the situation with a calm mind instead of losing our mind in the situation like this all my stories contains a special message for all of us which make us navigate our life easily no matter what the situation is Preface It s a collection of fifty nine stories which teaches us important lessons in the form of funny and intriguing animal stories This book is written by me so the upcoming generation as well as today s generation can get a boost of laughter quality and with it and get much needed learning
