Guibert, Société Cevenole de Mercou, 1958 *Modernism and the Machinery of Madness* Andrew Gaedtke, 2017-10-26
Modernism and the Machinery of Madness demonstrates the emergence of a technological form of paranoia within modernist culture which transformed much of the period s experimental fiction Gaedtke argues that the works of writers such as Samuel Beckett Anna Kavan Wyndham Lewis Mina Loy Evelyn Waugh and others respond to the collapse of categorical distinctions between human and machine Modern British and Irish novels represent a convergence between technological models of the mind and new media that were often regarded as thought influencing machines Gaedtke shows that this literary paranoia comes into new focus when read in light of twentieth century memoirs of mental illness By thinking across the discourses of experimental fiction mental illness psychiatry cognitive science and philosophy of mind this book shows the historical and conceptual sources of this confusion as well as the narrative responses This book contributes to the fields of modernist studies disability studies and medical humanities Encyclopedia of British Humorists Steven H. unforgettable literary institution and a glimpse into the remarkable life of the Press's creator Jack Kahane The Obelisk Press is a publishing event not to be missed by anyone with an interest in twentieth century literary lives and letters Dandyism Len Gutkin,2020-02-26 The dandy a nineteenth century character and concept exemplified in such works as Wilde's *The Picture of Dorian Gray* reverberates in surprising corners of twentieth and twenty first century culture Establishing this character as a kind of shorthand for a diverse range of traits and tendencies including gentlemanliness rebelliousness androgyny aristocratic pretension theatricality and extravagance Len Gutkin traces Victorian aesthetic precedents in the work of the modernist avant garde the noir novel Beatnik experimentalism and the postmodern thriller As defined in the period between the fin de siècle and modernism dandyism was inextricable from representations of queerness But rinsed of its suspect associations with the effeminate dandyism would exert influence over such macho authors as Hemingway and Chandler who harnessed its decadent energy Dandyism Gutkin argues is a species of gendered charisma The performative masquerade of Wilde's decadent dandy is an ancestor to both the gender performance at work in American cowboy lore and the precious self presentation of twenty first century hipsters We cannot understand modernism and postmodernism's negotiation of gender aesthetic abstraction or the culture of celebrity without the dandy Analyzing the characteristic focus on costume consumption and the well turned phrase in readings of figures ranging from Wyndham Lewis Djuna Barnes and William Burroughs to Patricia Highsmith Bret Easton Ellis and Ben Lerner Dandyism reveals the Victorian dandy's legacy across the twentieth century providing a revisionist history of the relationship between Victorian aesthetics and twentieth century literature Novel Sensations Day Jon Day,2020-08-18 A radical intervention into critical debates over the status of sensation within modernist literature Offers novel and insightful readings of key modernist authors within their philosophical contexts Critiques a range of neuroaesthetic approaches to literary criticism Proposes new ways of thinking about the relationship between philosophy literature and technology within modernist studies Concentrating on the work of four major modernist authors Virginia Woolf James Joyce Wyndham Lewis and Samuel Beckett this book examines the close links between modernist literature and the philosophy of mind By historicising the qualia debate and situating it within its cultural and literary contexts it stages interventions into a range of academic debates over the status of sensations and sense data within modernist fiction over the scope and possibility of neuroaesthetic approaches to literary criticism and over the relationship between literature philosophy and technology in the modernist moment Cold Modernism Jessica Burstein,2012 Explores a significant but overlooked aspect of early twentieth century modernism one that focuses on surface appearance rather than interiority or psychological depth Looks at the writers Wyndham Lewis and Mina Loy the artists Balthus and Hans Bellmer and the fashion designer Coco Chanel Provided by publisher *Wyndham Lewis the Radical* Carmelo Cunchillos Jaime,2007 This volume about the modernist writer and artist Wyndham Lewis 1882 1957 presents him as a radical figure in twentieth century modernism The authors rediscover aspects of Lewis's work which show how his

fiction challenges modernist norms and how his acute and wide ranging critique of culture has a vital contemporary relevance Lewis's range is extraordinary it covers Nietzsche as well as classic cinema Renaissance art and English classicism Being politically conservative he had nonetheless a place on the political left and he can be seen as a postmodernist before his time These essays by leading Spanish and British specialists reveal Lewis as one of the key modernists of our time

Modernist Exoskeleton Rachel Murray, 2020-03-02 Argues for the importance of insects to modernism's formal innovations Uses the idea of the insect as a key to modernist writers' engagement with questions of politics psychology life and literary form Provides in depth analysis of lesser known modernist narratives such as H D's *Asphodel* and Lewis's *Snooty Baronet* as well as new readings of canonical texts including D H Lawrence's *Lady Chatterley's Lover* and Samuel Beckett's *Trilogy* Explores the influence of popular scientific writing on modernist aesthetics Reveals the attentiveness of modernist writers to nonhuman life thus forging new lines of connection between modernism and literary animal studies Focusing on the writing of Wyndham Lewis D H Lawrence H D and Samuel Beckett this book uncovers a shared fascination with the aesthetic possibilities of the insect body its adaptive powers distinct stages of growth and swarming formations Through a series of close readings it proposes that the figure of the exoskeleton which functions both as a protective outer layer and as a site of encounter can enhance our understanding of modernism's engagement with nonhuman life as well as its questioning of the boundaries of the human

Framing Literary Humour Jeanne Mathieu-Lessard, 2020-01-23 Contrary to what their oppressive design would lead us to believe might structures of imprisonment actually incite humour Starting from the most obvious areas of imprisonment war camps prison cells and moving to the less obvious masks bodies *Framing Literary Humour* demonstrates how 20th century humour in theory and in fiction cannot be fully understood without a careful look at its connection with the notion of imprisonment Understanding imprisonment as a concrete spatial setting or a metaphorical image Jeanne Mathieu-Lessard analyses selected works of Romain Gary Giovannino Guareschi Wyndham Lewis Vladimir Nabokov and Luigi Pirandello to reconfigure confinement as an essential structural condition for the emergence of humour

The Agon of Modernism Anne Quémé, 1999 Lewis's political writings present ambiguities his stated belief in the autonomy of art from life is contradicted by other statements he made

and by his critical analyses of writers and his political writings blur any a priori generic distinction between art and non art Given this blurring between art and life artistic genre and non artistic genre Quema claims that Lewis s political texts present characteristics usually attributed to avant gardism However this radicalism has to be balanced against Lewis s conservatism Thus his political writings can be read as allegories with two pragmatic aims to organize the life of the polis from an artistic standpoint and to persuade the reader to adhere to authoritarian politics BOOK JACKET **Pound/Lewis** Ezra Pound,1985 The friendship of Ezra Pound and Wyndham Lewis began in London in 1909 survived two European wars and the rise and fall of the totalitarian governments both men misguidedly supported and lasted through Pound s years of confinement at St Elizabeths to Lewis s death in 1957 In Pound Lewis their correspondence of five decades is gathered for the first time it proves a revealing reflection of their intense always professional mutual regard *Paranoid Modernism* David Trotter,2001 Seeking reasons for modernism s compulsion to experiment this book explores contemporary definitions of paranoia and its examination through fiction
