Snowmelt Timberdoodles Herschel D. Raney, Herschel Raney Jr., 2003-02-09 Memory is the electric skeleton for the visual life Here are trips into marshes and swamps forests and stream valleys and the associations triggered from such simple experiences Whether we go to forget or to remember these are the traces of one walker s year among insects and birds through the seasons in the Mississippi and Arkansas River Valleys Neither biography nor diary it is at times personal narrative and at times just the moment conveyed as purely as possible We are sometimes only what we have seen and who we recall in the seeing It is the joy of going even for an hour This is the come back and tell it part Among dogs armadillos songbirds and children sometimes it is best just to be humble and stay out of the way Sometimes you laugh and write it down
