Stay With Me V. A. R, 2015-11-15 When life gets difficult do you run away or do you try to make it better For most of the people the answer is to run away because it's easier to avoid your problems than to solve them This is the story of two teenagers and how they pass their problems in life In one hand we've got Kara who's going thru the loss of her boyfriend best friend and is trying to move on with her life But in the other hand we've got Adam who is the new boy in town and has a past that he's willing to forget When their paths meet they fall madly in love They help each other to overcome the difficulties in their lives but when things get hard again will they be willing to take a risk and save their love Or will they just simply run away If you take a risk will you be regarded Or will your life turn upside down Hiding Behind Myself Meghan Clark, 2016-07-27 This is my real life story filled with actual journal entries of verbal and emotional abuse A story of a marriage to an alcoholic filled with rage and how I coped with the verbal attacks on my faith family friends and spirit The loneliness and heartache at times were too much to bear The day I had to put my beloved pet to sleep because of that rage was the day a hole entered my heart and stayed
