Soccer Handbook For Players Coaches And Parents:

The Soccer Handbook for Players, Coaches and Parents Albert M. Luongo, 2012-10-16 Soccer long the world's most played sport is now undergoing a phenomenal popularity spurt among youth in North America. This book, the complete amateur soccer handbook for all ages, is indispensable for players, coaches, managers, league officials, referees, and parents. Rules of the game, conditioning methods, basic and advanced skills, positional play, team formations, defensive techniques, and much more are covered. The Laws of the Game, a publication of the Federation Internationale de Football Associations, is reprinted in full. The modern short ball soccer concept is explained. Ball control skills are stressed for both developing and advanced players along with self-discipline and a strong defense. With this handbook, championship teams and successful players can be built on these principles. In addition to technical skills, the important principles of leadership, self-control, sportsmanship, team play, fairness, and self-confidence are also promoted. **Soccer Practice** Victor Wise, 2023-07-20 This book was written to change the way players think about and play the game of soccer. I struggled for years with sub-average performances as a defender, defensive center midfielder, and outside midfielder. I was often placed in these positions because I could not score. Due to my immaturity, I did not like others correcting my form. I knew it needed considerable improvement, so I would take it personally when someone gave me feedback. I realized that this was limiting my ability to become the player I wanted to be. Therefore, I sought out the knowledge that allowed me to score multiple goals, a game defend correctly, pass with excellent form, etc. As a result of this success, I could not help but share my understanding of the game to other players who are looking to improve, parents who want to boost their child's confidence on the field, and coaches who want to be viewed as outstanding by all of their players and their players' parents. Though I train players individually and in small groups, I know that writing the information down in a book will allow it to reach more eyes, build more confidence, and make a significant impact on the world. This book dives deep into the important topics of soccer. Though the correct form and tactics are extremely helpful in ensuring the ball ends up in the opponent's net, you also need a strong mindset to improve on any weaknesses, solidify your strengths, and implement many tips and tricks to become the person on your team that consistently scores. This book will help you become the most admired player on your team. Changing one or two things may help you become better, but once you start implementing most or even all the techniques described in this book, you will see a significant improvement in your performance on the field. However, remember that the knowledge in this book is only helpful when applied. You must apply it to score 10X more goals each season, which will lead to several more wins. *Happy Feet* Dan Blank, 2014-04-18 *HAPPY FEET* is the ultimate resource for soccer parents. Written by best-selling author Dan Blank, it will give you a better understanding of the game, its rules, and terminology. This remarkable book includes links to seven free videos that help explain soccer's more mysterious concepts, such as offside, the advantage rule, and systems of play. By the end of Section 1, parents with no soccer background will have a working vocabulary of this strange sport and an

understanding of all its moving pieces More importantly HAPPY FEET details the most common mistakes parents make in dealing with coaches referees and their own children It is a practical guide to situations that every soccer parent will eventually face HAPPY FEET is not a collection of sideline horror stories Written by a coach with more than 20 years of experience HAPPY FEET offers a wealth of advice presented in a conversational and humorous tone It is the definitive handbook for parents that want the best possible experience for their soccer playing children HAPPY FEET will help you understand the most effective path for growing your child s love for the game while also helping you steer clear of the behaviors that cause children to fall out of love with team sports Discover the easiest way to have a positive relationship with your coach how to effectively deal with playing time issues and learn how to talk with your child before and after a game Plus much much more Seventy five percent of youth soccer players quit by the age of 13 HAPPY FEET was written to combat this staggering defection rate by arming parents with everything they need to know to nurture and grow their children s love for the game so that soccer fields from coast to coast are alive and well with the sounds of very HAPPY FEET

Luongo, 1985 **The Complete Idiot's Guide to Coaching Youth Soccer** Michael Muckian, Dean Duerst, 2003 An Olympic coach tells how to lead the team to victory. This is the first and best handbook for mastering both the soft conceptual skills of coaching youth soccer such as good sportsmanship and dealing with parents, to the tactical skills of executing winning offensive and defensive strategies. *Play With Your Brain* Travis Norsen, 2020-04-15 Aimed primarily at intermediate to advanced youth soccer players but also coaches and parents who want to understand the game more deeply.

Play With Your Brain presents eight key soccer concepts in illuminating detail, giving you the knowledge you need to become a smarter and therefore better player, coach, or fan. **The New Coach's Guide to Coaching Youth Soccer** Robert L.

Koger, 2015-08-04 Expert advice to make youth soccer more fun for players, parents, and coaches. Robert Koger coached youth soccer for over twenty-five years. For the thousands of new coaches taking over teams every year, the advice he offers will make their lives easier and their teams better. Koger covers everything a new coach needs to know: the rules of the game, the layout of the field, the logistics of finding playing space, setting up practices, and even handling pesky problem parents. If you want to understand the offside rule, clarify what goalkeepers can and can't do inside the penalty box, need advice on

conditioning and training players you'll find it here. Designed specifically to help coaches work with young players ages four through eight, Koger's goal is to make the game fun for kids, parents, and coaches. With fourteen million American children playing in organized leagues and more new coaches needed every year, this book is essential and helpful reading for anyone who chooses to take up the whistle and manage a team. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports books about baseball, pro football, college football, pro and college basketball, hockey, or soccer. We have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation, whether you are a die-hard Green Bay Packers or Dallas Cowboys fan, whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks, whether you root for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings, we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
