wings jutting from the stranger's chiseled back gives her pause Everything in her screams to call the police but a dangerous curiosity and long denied temptation outweigh her good sense and she misguidedly helps him For four years Steel has silently watched over shy Bridget His daily check ins and the reason for them have been something he's kept from his warrior brothers The secret eats at him every day but it's one he'll never share When the battle against the demon charmers intensifies one unseen strike blasts him out of the sky and lands him at Bridget's doorstep the one place he'd sworn to never go An unspoken pull flares bright between them and undeniable passion ignites their soul bond When Steel's enemies return to finish the job they started he and Bridget must summon the courage to come together and face their pasts before the demons destroy their futures
