Steel The Presidency 1962:

Steel and the Presidency, 1962 Grant McConnell, 1963 *The Power of the Presidency* Robert S. Hirschfield, 2017-07-05 The American presidency is the most powerful political office in the world But this impressive statement serves only to raise a whole series of fundamental questions What is the scope of presidential powers and what are its limits Can the president use all the authority of his office or is that authority more formal than effective Does the presidency have sufficient power to meet today s needs or do the problems of the modern age demand a more powerful executive Is there a danger of dictatorship in the growth of political authority or will the presidency remain an office of constitutional democratic leadership This book explores such questions by presenting a wide range of views on presidential power from a variety of sources original supporters and opponents of the office presidents themselves Supreme Court decisions and professional students of the presidency **Robbing Peter to Pay Paul** Samuel Evan Milner, 2021-11-30 Concentrated market power and the weakened sway of corporate stakeholders over management have emerged as leading concerns of American political economy Samuel Milner provides a historical context for contemporary efforts to resolve these anxieties by examining the contest to control the distribution of corporate income during the mid twentieth century During this Golden Age of American Capitalism apprehension about the debilitating consequences of industrial concentration fueled efforts to ensure that management would share the fruits of progress with workers consumers and society as a whole Focusing on wage and price determination in steel automobiles and electrical equipment Milner reveals how the management of concentrated industries understood its ability to distribute income to its stakeholders as well as why economists courts and public policymakers struggled to curtail the exercise of that market power at its source Public Papers of the Presidents of the United States United States.
