Stellas Story:

Stella's Story Louise Allen, 2020 Stella is just like a tiny bird This is my first impression of her A quiet little sparrow of a girl In her brand new series *Thrown Away Children* Louise Allen shares the harrowing stories she is exposed to as a foster mother The first in the series *Stella's Story* tells the astonishing true story of a young girl scarred by an abusive past Named after the lager that christened her at birth Stella's life is characterised instability and neglect Her teenage mother abandons her in the first few weeks of her life and left in the care of her father she ends up lying deserted in a house with no food no water no clothes and no warmth For little Stella it seems as if she's been discarded for good Constantly shifted back and forth between caregivers she eventually lands in the care of foster carer Louise who is determined to change her life for the better Things seem to be going well but when Stella has a startling response to having her photo taken it becomes clear the scars of her abuse run deeper than anyone could have ever guessed Often painful but ultimately uplifting this is a story of rebuilding a childhood from the ground up and the heroism of one woman helping her recover **Stella's Stellar**

Adventure AQEEL AHMED, 2024-04-07 *Stella's Stellar Adventure* Stella chooses to go on a space adventure because she finds the tail of a comet interesting As she looks into the comet's secrets she and her trusty robot companion have fun and make new friends Bio Stella has a bright personality and her eyes light up with thoughts of exploring space She has always been interested in the beautiful night sky which has driven her to learn new things and try new things from a young age Stella has a huge imagination bigger than the world itself She often looks up at the sky and wonders what's beyond the moon and stars She makes up her mind to go on a dangerous trip into space to find the answers This will fulfill her wish and start a fun new journey Stella goes on an exciting trip with her robot friend who stands for her imagination and friendship These dynamic pairs are exploring space in ways that have never been seen before They are the perfect mix of scientific wonder and human desire Stella's search turns into a deep journey of self discovery as they go through the universe and face both dangers and wonders She learns the value of friendship in the middle of being alone the value of being brave in the face of the unknown and the beauty of looking at the world with eyes full of wonder Stella's story is inspiring because it shows that we can learn about the universe's wonders if we are curious brave and ask our friends for help Page 9 of 25 In Summary *Stella's Stellar Adventure* is a sweet story about friendship discovery and wonder that takes kids on an amazing journey through space We meet Stella at the beginning of the story She is a little girl who is very interested in the night sky She sees a comet cutting through the sky which changes her life in an exciting way Its mysterious beauty interests her Stella sets out on an epic trip to find out more about the comet Stella's loyal robot friend stays with her as she continues her journey through space Their trip is an ode to the universe's wonders and the desire to find new things In a secret valley on Mars they find mysteries On the Moon old whispers tell them stories about the universe On Mars they dance through an asteroid belt where each rock hums its own cosmic tune As the couple speeds through Saturn's rings they see how stars are formed in a

beautiful cloud hear the comet they've been following sing by itself and almost get sucked into an unimaginable black hole Stella learns new things and faces new challenges in each area which helps her grow and understand the world better Stella and her robot have their most important contact on a faraway planet where they learn from friendly aliens about how all living things are connected and different at the same time Like the other meetings this one stresses unity bravery and the insatiable human need to know and understand the unknown She comes back to Earth at the end of her trip through the galaxy full of amazing stories and lessons she learned while she was away Stella is still very interested in learning even though the trip is over After she gets back she sees the night sky not as a faraway work of art that she can't understand but as a call to endless journeys and chances Stella's Stellar Adventure tells kids to have big dreams value their relationships and always ask questions about the world they live in It's not just a story about going into space Stella thinks of the world as a beautiful interesting and never ending place to learn This makes her think of the journey that people who are brave enough to look beyond will go on Page 10 of 25 Chapter 1 Comet's Night Stella was amazed as she looked up at the sky on a clear quiet night The stars were shining like tiny lanterns and the sky was a deep dark blue On this particular night she saw something very beautiful The sky was filled with a comet that was as bright as the moon Its tail flashed with colors Stella had never seen before leaving a bright path of color behind it As it moved through space the comet left behind a sparkling path where red blue green and purple colors mixed Stella felt a spark of excitement ignite inside her She was full of wonder and couldn't stop asking questions She said I have to find out where it's going She thought the comet was calling to her luring her to go on an exciting journey with its mysterious beauty and hypnotic path Stella knew that this was a unique chance to see something in the universe She was very interested in following the comet figuring out what it was and figuring out its path Stella saw the comet going through asteroid belts and cosmic clouds above planets and stars and deeper into the unknown with each second that went by With its rainbow of colors the comet's tail looked like a map of the universe's secrets and undiscovered wonders Each glimmer could help us figure out one of the secrets that lie beyond Stella was excited about the idea of going on a space journey to follow the comet and learn about the stories it might hold Stella made a choice that would change her life because she liked to try new things and was eager to learn She wouldn't just watch the comet from her garden she would go after it going into space to follow its tail and find out where it was going Stella stuck to her promise even though the idea was controversial and might be dangerous She was ready to go on an amazing trip to find new places and learn about the universe's great mysteries After she made her choice Stella's mind was full of plans and thoughts How could she find the comet What secrets would she find along the way Without a doubt the trip would be hard and full of both pleasures and difficulties Stella on the other hand showed no fear She liked to try new things and was very interested in the universe so she was ready to take on anything it had to offer On the night of the comet she felt like she wanted to learn more about the world and figure out its mysteries again She was about to start her trip through space Page 11 of 25 Chapter 2 A

Stella Peter Wyden, 1993-10-01 The story of Stella Goldschlag whom Wyden knew as a child and who later became notorious as a catcher in wartime Berlin hunting down hundreds of hidden Jews for the Nazis A

harrowing chronicle of Stella's agonizing choice, her three murder trials, her reclusive existence and the trauma inherited by her illegitimate daughter in Israel. 16 pages of B & W photographs.

Stella Emeric Bergeaud, 2015-08-28 *Stella* first published in 1859 is an imaginative retelling of Haiti's fight for independence from slavery and French colonialism. Set during the years of the Haitian Revolution 1791-1804, *Stella* tells the story of two brothers, Romulus and Remus, who help transform their homeland from the French colony of Saint Domingue to the independent republic of Haiti. Inspired by the sacrifice of their African mother, Marie, and Stella, the spirit of Liberty, Romulus and Remus must learn to work together to found a new country based on the principles of freedom and equality. This new translation and critical edition of Emeric Bergeaud's allegorical novel makes *Stella* available to English-speaking audiences for the first time. Considered the first novel written by a Haitian, *Stella* tells of the devastation and deprivation that colonialism and slavery wrought upon Bergeaud's homeland. Unique among nineteenth-century accounts, *Stella* gives a pro-Haitian version of the Haitian Revolution, a bloody but just struggle that emancipated a people and it charges future generations with remembering the sacrifices and glory of their victory. Bergeaud's novel demonstrates that the Haitians, not the French, are the true inheritors of the French Revolution and that Haiti is the realization of its republican ideals. At a time in which Haitian Studies is becoming increasingly important within the English-speaking world, this edition calls attention to the rich though under-examined world of nineteenth-century Haiti.

Youth

Work Naomi Nichols, 2014-09-17 Combining institutional ethnography and community-based research, *Youth Work* is a sophisticated examination of the troubling experiences of young people living outside the care of parents or guardians, as well as of the difficulties of the frontline workers who take responsibility for assisting them. Drawing from more than a year of on-site research at an Ontario youth emergency shelter, Naomi Nichols exposes the complicated institutional practices that govern both the lives of young people living in shelters and the workers who try to help them. A troubling account of how a managerial focus on principles like accountability and risk management has failed to successfully coordinate and deliver services to vulnerable members of society, *Youth Work* shows how competitive funding processes, institutional mandates, and inter-organizational conflicts complicate the lives of the young people that they are supposed to help. Nichols's book is essential reading for those involved in education, social services, mental health, and the justice system, as well as anyone with an interest in social justice.
