**Precision Simplified** Neil H. Timm, 2010-02 My goal in writing this book is to provide a careful organization of topics so that one may easily convert from any standard two club opening system and in particular the 2 1 Game Force bids to Precision In the process one may keep most of their natural bidding sequences and the conventions they currently use with minor modifications I have tried to eliminate the fear of the memory features used by many variations of Precision by presenting a series of bids that are geared toward simplicity and allow the reader to integrate the Precision system into their more familiar natural bidding system using the 2 1 Game Force bidding structure which includes Combined Bergen Raises inverted minor suit raises with criss cross cue bidding modified scroll bids and many more familiar methods 2/1 Game Force a Modern Approach NEIL H. TIMM, PH.D., 2014 The 2 1 Game Force bidding system is an improvement over the Standard American System that has been in effect and played by bridge players for many years The advantage of the 2 1 system is that it allows the partnership to know that game is possible with only a single bid In this book I have tried to present the fundamental aspects of the bidding structure for playing a pure Two Over One Game Force system of bidding In this book I have tried to change behavior by presenting a series of bids geared toward the 2 1 bidding structure that includes Bergen Reverse Bergen and Combined Bergen Raises inverted minor suit raises with crisscross and flip flop cuebidding modified scroll bids and many more methods not used in Standard American or Precision In the fourth edition the Minorwood Convention has been expanded and several variations of the Flannery Convention are included in this edition I have added the Hello and SCUM conventions used to interfere over strong notrumps and a Modified Landy convention designed to compete over partnerships that employ a weak notrump bid The Equal Level Conversion ELC double is discussed in Chapter 6 and additional material on slam bidding has been added to Chapter 3 The material on two way new minor forcing and the Gazilli Convention has been expanded upon in Chapter 1 and Jacoby transfers with a superaccept structure has been added to Chapter 2 Finally a new chapter that reviews the new Italian System of bids called Fantunes has been included in this edition The System has been modified to be in compliance with the General Convention Chart 2/1 Game Force System Neil H. Timm PhD, 2020-10-27 The 2 1 Game Force System is an improvement over the Standard American System that has been in effect and played by bridge players for many years The advantage of the 2 1 System is that it allows the partnership to know that game is possible with only an initial single bid This book is about bridge that incorporates conventions that

allow partnership s to reach game or slam In this regard I have incorporated modern methods for hand evaluation developed by Marty Bergen called the ADJUST 3 Method and Zar points new bidding conventions like SARS Shape Asking Relays after Stayman and Quest transfers and an overview of Bridge Rules and Laws that I hope will improve your approach to the bidding structure you may use today Also included is the bidding structure are Bergen Reverse Bergen and Combined Bergen major suit raises inverted minor suit raises with crisscross and flip flop cue bidding modified scroll bids and many more methods not used in Standard American or Precision The bidding conventions in the previous editions have been enhanced corrected expanded upon and reorganized with new ones added Given the release of the new ACBL convention charts the chapter with the modifications to Fantunes in my prior edition is no longer needed Fantunes may now be played using the Open Convention Chart The Mid chart no longer exists Hence I have deleted the chapter and replaced it with a new chapter on Bridge Tips and Agreements New conventions include a Modern Splinter Bidding Convention the Zirconia Convention Unusual 2 level bids Jump Transfer bids a new Two Way Check back Convention 1430 Modified Jacoby 2NT additional Bridge Rules with more examples Four Way Transfers with the range ask bid and more are included in this edition Also included is an update of the Minorwood and the Roman Keycard Blackwood Conventions Two Way New Minor Forcing with modified Wolff Signoff bids and new bidding sequences using Mini Weak Notrump The topic of Offense to Defense Ratio ODR is included in this revision as well as expanded bidding sequences when opening and responding to the bid of 2 playing the 2 1 Game Force System and many new Bridge Rules have been added to Chapter 10 A copy of this book is on the web site [www.bridgewebs.com](http://www.bridgewebs.com) ocala A hard copy is available from the publisher or from Amazon.com search on neil timm Modern Constructive Bidding Marshall Miles, 2005 The logical follow up to the author s best selling Competitive Bidding in the 21st Century this book deals with the latest expert thinking on constructive auctions at bridge As usual Miles ideas are cutting edge and not everything he recommends will appeal to everyone However through discussion Miles challenges his readers to think about and question what they are currently doing ultimately reinforcing their own confidence in the style they choose to play

**2/1 Game Force a Modern Approach - Third Edition** Neil H. Timm Ph. D., 2012-06 The 2 1 Game Force bidding system is an improvement over the Standard American System that has been in effect and played by bridge players for many years The advantage of the 2 1 system is that it allows the partnership to know that game is possible with only a single bid In this book I have tried to present the fundamental aspects of the bidding structure for playing a pure Two Over One Game Force system of bidding This is not a book on conventions it is a book about bridge that incorporates conventions that allow the partnership to reach game or slam In this regard I have incorporated modern methods for hand evaluation developed by Marty Bergen New bidding conventions like SARS Shape Asking Relays after Stayman Quest transfers and an overview of Bridge Rules and Laws that I hope will improve your approach to the bidding structure you may use today In this second edition I have included additional Bridge Rules expanded and added material in several sections and included many

more conventions common to the 2 1 Game Force System This edition includes the Montreal club and diamond relay bids the Kennedy club the Kaplan interchange bid the Ekren 2 convention picture bids the forcing pass masked mini splinters the Ingberman and Ping Pong conventions and the Marvin two spades convention among others Finally a new chapter on Precision called Simplified Precision has been added The 2 1 Game Force bidding system is an improvement over the standard American system that has been in effect and played by bridge players for many years The advantage of the 2 1 system is that it allows the partnership to know that game is possible with only a single bid In this book I have tried to present the fundamental aspects of the bidding structure for playing a pure two over one game force system of bidding This is not a book on conventions it is a book about bridge that incorporates conventions that allow the partnership to reach game or slam In this regard I have incorporated modern methods for hand evaluation developed by Marty Bergen New bidding conventions like SARS Shape Asking Relays after Stayman Quest transfers and an overview of Bridge Rules and Laws that I hope will improve your approach to the bidding structure you may use today In this second edition I have included additional bridge rules expanded and added material in several sections and included many more conventions common to the 2 1 Game Force System This edition includes the Montreal club and diamond relay bids the Kennedy club the Kaplan interchange bid the Ekren 2 convention picture bids the forcing pass masked mini splinters the Ingberman and Ping Pong conventions and the Marvin two spades convention among others Finally a new chapter on Precision called Simplified Precision has been added In the third edition I have made corrections brought to my attention by several readers The chapter on slam bidding has been expanded to include asking for aces and kings simultaneously the Baron 4NT convention and more New material on Roman Jump overcalls the Mc Cabe Adjunct and the Reverse Mc Cabe Adjunct Bergen s Jacoby 2NT bids Meckwell major suit bids and Meckwell responses to minor suit openings more on interference over strong no trump minor suit Stayman Kokish Relays and several other conventions have been added to this latest edition Finally new chapters on Transfer Precision the Meckwell Precision Meckwell Lite Bids are also included in this issue The Meckwell Lite material chapter 18 was developed by a Luke Gillespie and Jim Streisand and is included in the book with their kind permission **Precision Simplified ---**

**Second Edition** Neil H. Timm Ph. D.,2011-05-05 The 2 1 Game Force System is an improvement over the Standard American System that has been played by bridge players for years The clear advantage of 2 1 is that it allows a partnership to know that game is possible with only a single bid by the responder However a significant disadvantage is that the opener may have between 12 and 21 high card points HCP when opening one of a suit obviously a very wide range To remedy this situation one may employ the strong club system in contract or duplicate bridge know simply as Precision Cuebidding at Bridge Ken Rexford,2006 Everyone knows that control showing bids are the expert route to slam but it is remarkably hard to find a comprehensive treatment of this vital area of the game Until now that is This is a comprehensive work covering a lot of territory The average reader won t agree with everything they read and it would be a mammoth undertaking to try and adopt

it all but it will get them thinking about their bidding and offer many ways to improve it After all bridge is the ultimate game for thinkers This book fills an important gap in the literature of bridge for serious players     *The Precision Diamond Bridge Bidding System* Ken Casey,2019-09-11 The second edition of this book incorporates the 2 1 Game Force bidding system The book is designed to improve your bidding in 5 steps The 1st step involves maximizing your use of the 2 1 system whenever you open with a major suit The 2nd step involves your use of the New Minor Forcing convention to find a 5 card major in responder s hand The 3rd step involves adoption of the strong 2 bid a bid of 20 21p with an unbalanced hand one with a singleton or void By tweaking reverses this allows the opener to show an unbalanced hand by bidding at the 2 level with 16 17p or at the 3 level with 18 19p The 4th step involves optimizing your slam bidding with conventions to show the trump Queen It also involves the use of the Redwood kickback convention minor suit contracts and the use of the Fourth Suit Forcing convention to ascertain whether the opener has 4or 5 cards in this 2nd bid suit The 5th step involves the use of bids to hamper the opponents from finding their 4 4 spade fit This involves the use of the Casey overcall and the use of the Casey Jacoby Transfer for R s 5 card majors Finally the use of inverted minors is discussed     Contemporary Bridge Bidding Leif B. Sorensen,2011-11-22 The reader for whom this new book is intended should be familiar with the fundamentals of duplicate bridge The book is aimed at intermediate players with a range of expertise who are intent on improving their bidding skills The main focus is on the two over one game force which together with its adjunct components comprises a bidding system that has gained enormous popularity The last two chapters are devoted to an introduction of two systems that are widely played around the world Precision Bridge and Acol Bridge     *Official Encyclopedia of Bridge* Crown,1988-12     **2/1 Game Force a Modern Approach - Second Edition** Neil H. Timm Ph. D.,2011-05-20 The 2 1 Game Force bidding system is an improvement over the Standard American System that has been in effect and played by bridge players for many years The advantage of the 2 1 system is that it allows the partnership to know that game is possible with only a single bid In this book I have tried to present the fundamental aspects of the bidding structure for playing a pure Two Over One Game Force system of bidding This is not a book on conventions it is a book about bridge that incorporates conventions that allow the partnership to reach game or slam In this regard I have incorporated modern methods for hand evaluation developed by Marty Bergen New bidding conventions like SARS Shape Asking Relays after Stayman Quest transfers and an overview of Bridge Rules and Laws that I hope will improve your approach to the bidding structure you may use today In this second edition I have included additional Bridge Rules expanded and added material in several sections and included many more conventions common to the 2 1 Game Force System This edition includes the Montreal club and diamond relay bids the Kennedy club the Kaplan interchange bid the Ekren 2 convention picture bids the forcing pass masked mini splinters the Ingberman and Ping Pong conventions and the Marvin two spades convention among others Finally a new chapter on Precision called Simplified Precision has been added
