Stepford Wives:

The Stepford Wives Ira Levin, 2011-04-26 The internationally bestselling novel by the author of *A Kiss Before Dying* The Boys from Brazil and *Rosemary's Baby* With an Introduction by Peter Straub For Joanna her husband Walter and their children the move to beautiful Stepford seems almost too good to be true It is For behind the town's idyllic facade lies a terrible secret a secret so shattering that no one who encounters it will ever be the same At once a masterpiece of psychological suspense and a savage commentary on a media driven society that values the pursuit of youth and beauty at all costs *The Stepford Wives* is a novel so frightening in its final implications that the title itself has earned a place in the American lexicon

The Stepford Wives Ira Levin, 2011-07-21 The women of Stepford are not all that they seem All the beautiful people live in idyllic Stepford Connecticut an affluent suburban Eden populated with successful satisfied hubbies and beautiful dutiful wives For Joanna Eberhart newly arrived with her husband and two children it all seems too good to be true from the sweet Welcome Wagon lady to all those cheerful friendly faces in the supermarket checkout lines But just beneath the town's flawless surface something is sordid and wrong something abominable with roots in the local Men's Association And it may already be too late for Joanna to save herself from being devoured by Stepford's hideous perfection

Horror Films of the 1970s John Kenneth Muir, 2012-11-22 The seventies were a decade of groundbreaking horror films The Exorcist Carrie and Halloween were three This detailed filmography covers these and 225 more Section One provides an introduction and a brief history of the decade Beginning with 1970 and proceeding chronologically by year of its release in the United States Section Two offers an entry for each film Each entry includes several categories of information Critical Reception sampling both 70s and later reviews Cast and Credits P O V quoting a person pertinent to that film's production Synopsis summarizing the film's story Commentary analyzing the film from Muir's perspective Legacy noting the rank of especially worthy 70s films in the horror pantheon of decades following Section Three contains a conclusion and these five appendices horror film clichés of the 1970s frequently appearing performers memorable movie ads recommended films that illustrate how 1970s horror films continue to impact the industry and the 15 best genre films of the decade as chosen by Muir

The Stepford Wives Samantha Lindop, 2022 *The Stepford Wives* 1975 occupies an unusual position in cinematic history As is often the case with cult texts the film was both a box office flop and widely misunderstood on release Intended as a feminist diatribe it was derided by Betty Friedan whose 1963 book *The Feminine Mystique* it literalised Even Ira Levin author of the novel from which the film was adapted concedes he was less than enthused with the filmed version Despite this the term Stepford wife has become idiolect for a particular kind of one dimensional upper middle class woman who is figuratively and to some extent literally an automation Indeed one does not need to have seen or even heard of the film or Levin's book to be familiar with the concept This study finally gives *The Stepford Wives* the serious scholarly attention it deserves

Figures of Fantasy Susanna Paasonen, 2005 *Figures of Fantasy* explores the popularization of the idea of the Internet as

a cyberspace and considers the implications this has for discussions of gender and identity The book analyzes the standard figures used to conceptualize and explain technology and gender and traces the ways in which these concepts have served to create the figure of the Internet as a cyberspace a manner of thinking that has come to dominate Internet research internationally making visible its historicity limitations and implications Figures of Fantasy offers an innovative theoretical approach to Internet research and provides a highly original systematic critique of the canonical works in the field Fat, Fit, and (Almost) Fifty , **LIFE** ,1972-10-13 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use The Stepford Wives [video Recording] ,1974 **Networks of Desire** Frenchy Lunning, Japan s pop culture once believed unexportable is now hitting the shores of other nations like a tsunami In North America young fans consume vast amounts of manga and anime while academics increasingly study the entire J pop phenomenon to understand it One community has passion while the other has discipline and what has been lacking is a bridge between the two Mechademia is the bridge and with a name like that how can one go wrong So why wait Hop in your giant mobile suit and stomp down to the local real or virtual bookstore to purchase a copy right now Frederik L Schodt author of Manga Manga The World of Japanese Comics Networks of Desire the second volume in the Mechademia series an annual forum devoted to critical and creative work on Japanese anime manga and the fan cultures that have coalesced around them explores the varieties of desire that structure and influence much of contemporary anime and manga in manifestations that range from the explicitly sexual to more sublimated text and imagery Collecting original essays by scholars artists and fans Networks of Desire considers key issues at play in a Japanese society increasingly uncertain of its place in a globalized world from idealized representations of same sex desire in such shjo manga girls s comics as The Rose of Versailles to fan fiction inspired by the gender switching manga Ranma to desire in otaku communities Deftly weaving together desire and discourse Mechademia 2 illuminates the techno carnal fantasies animalistic consumption political nostalgia and existential hunger underlying the most popular and influential expressions of Japanese popular culture today Contributors Brent Allison U of Georgia Meredith Suzanne Hahn Aquila Hiroki Azuma William L Benzon Christopher Bolton Williams College Martha Cornog Patrick Drazen Marc Hairston U of Texas Dallas Mari Kotani Shu Kuge Penn State U Margherita Long U of California Riverside Daisuke Miyao Hiromi Mizuno U of Minnesota Mariana Ortega Timothy Perper Eron Rauch Trina Robbins Brian Ruh Indiana U Deborah Shamoon U of Notre Dame Masami Toku California State U Chico Keith Vincent NYU Frenchy Lunning is professor of liberal arts at the Minneapolis College of Art and Design and editor of Mechademia 1 Emerging Worlds of Anime and Manga Minnesota 2006 **Technophobia!** Daniel Dinello,2013-08-26 Techno heaven or techno hell If you believe many scientists working in the emerging fields of twenty first century technology the future is blissfully bright

Initially human bodies will be perfected through genetic manipulation and the fusion of human and machine later human beings will completely shed the shackles of pain disease and even death as human minds are downloaded into death free robots whereby they can live forever in a heavenly posthuman existence In this techno utopian future humanity will be saved by the godlike power of technology If you believe the authors of science fiction however posthuman evolution marks the beginning of the end of human freedom values and identity Our dark future will be dominated by mad scientists rampaging robots killer clones and uncontrollable viruses In this timely new book Daniel Dinello examines the dramatic conflict between the techno utopia promised by real world scientists and the techno dystopia predicted by science fiction Organized into chapters devoted to robotics bionics artificial intelligence virtual reality biotechnology nanotechnology and other significant scientific advancements this book summarizes the current state of each technology while presenting corresponding reactions in science fiction Dinello draws on a rich range of material including films television books and computer games and argues that science fiction functions as a valuable corrective to technological domination countering techno hype and reflecting the weaponized religiously rationalized profit fueled motives of such science By imaging a disastrous future of posthuman techno totalitarianism science fiction encourages us to construct ways to contain new technology and asks its audience perhaps the most important question of the twenty first century is technology out of control

The Stepford Wives, 1981 **Disco Divas** Sherrie A. Inness, 2003-01-13 The 1970s tend to be allocated a slender role in American cultural and social history The essays in Disco Divas reveal that the 1970s far from being an era of cultural stasis were a time of great social change particularly for women

Humans at Work in the Digital Age Shawna Ross, Andrew Pilsch, 2019-12-05 Humans at Work in the Digital Age explores the roots of twenty first century cultures of digital textual labor mapping the diverse physical and cognitive acts involved and recovering the invisible workers and work that support digital technologies Drawing on 14 case studies organized around four sites of work this book shows how definitions of labor have been influenced by the digital technologies that employees use to produce interpret or process text Incorporating methodology and theory from a range of disciplines and highlighting labor issues related to topics as diverse as census tabulation market research electronic games digital archives and 3D modeling contributors uncover the roles played by race class gender sexuality and national politics in determining how narratives of digital labor are constructed and erased Because each chapter is centered on the human cost of digital technologies however it is individual people immersed in cultures of technology who are the focus of the volume rather than the technologies themselves Humans at Work in the Digital Age shows how humanistic inquiry can be a valuable tool in the emerging conversation surrounding digital textual labor As such this book will be essential reading for academics and postgraduate students engaged in the study of digital humanities human computer interaction digital culture and social justice race class gender and sexuality in digital realms the economics of the internet and technology in higher education

Horror and Science Fiction Cinema and Society Martin Harris, 2024-09-02 Examining how horror and science fiction

films from the 1950s to the present invent and explore fictional us versus them scenarios this book analyzes the different ways such films employ allegory and or satire to interrogate the causes and consequences of increasing polarization in American politics and society Starting with the killer ants film with an anti communist subtext Them 1954 and concluding with Jordan Peele s social horror film with revenge seeking homicidal doppelg ngers Us 2019 Martin Harris highlights social and political contexts contemporary reviews and responses and retrospective evaluations to show how American horror and science fiction films reflect and respond to contemporary conflicts marking various periods in U S history from post WWII to the present including those concerning race gender class faith political ideology national identity and other elements of American society Horror and Science Fiction Cinema and Society draws upon cinematic sociology to provide a resourceful approach to American horror and science fiction films that integrates discussion of plot construction and character development with analyses of the thematic uses of conflict guiding readers understanding of how filmmakers create otherworldly confrontations to deliver real world social and political commentary
