Stephanie Stephanie Let Down Your Hair:

Stephanie, Stephanie, Let Down Your Hair Tess Marcin, 2002-03-29 Can anyone really write a book about self that has a true beginning and a true end I believe one can only write about a time span between the two To encompass more than that must be left to someone else after one is gone So one could call this book a series of essays increments of time within the cycle of life One could call it a series of experiments of lessons as well as of choices made One could also call it a series of philosophical thoughts underscored by life Living a life living the life one human individual no different than any other Acting out life re acting to life we all do it Is one anymore or anyless than another s It depends on the choices made As the reader peruses a chapter here a chapter there the response could very well be Oh I remember that Oh I ve been there Etc etc There is a synchronicity in life it seems and universal mind is part of it Are we different Yes but Are we the same Yes but Reading the book and reliving memories is nostalgia in action How far back can one go when one seeks to remember Amazingly quite a way back Can one remember every word spoken No The writers who say they can remember such detailed conversations have taken literary license with their work Unless they were fortunate to have been able to record everything or to have been able to keep a daily journal in extreme detail Reading about a conversation of some fifty sixty years in such exact detail is suspect It begins to border on fiction So to create and recreate a life in progress it must be understood memories can be fickle Never the less however one manages to gather them together they still make interesting reading Yes a door was opened and what spilled forth revealed the life of one human being The memories in the book do not quite cover a century but they come pretty close It was a period that seemed to take quantum leaps We humans lived it we ooded and aahed through all the events that took place on our watch We were sad and we rejoiced We even had that fleeting thought Will there be a tomorrow as we seemed to be living on the razors edge There was there is there will be If we humans actually begin acting civilized instead of pretending to be *Into Self...out of Self* Tess Marcin, Opening The Door Tess Marcin, 2010-04-19 Like the bubbles that begin to rise from the bottom of the kettle getting ready to boil so do the thoughts rise from the inner to evolve into a philosophic work Each bubble filled with a thought from the well of spirit The Daughter of Tommy the Killer Larry Tinsley, 2019-02-28 The book is called The Daughter of Tommy the Killer It is about Tommy the Killer s daughter telling her version of how he became the legendary serial killer and how she is different from him The London Journal: and Weekly Record of Literature, Science, and Art, 1878 **The London Chronicles** Stephen Valentine, **Honor Bright** Laura E. Richards, 2018-05-15 Reproduction of the original Honor Bright by Laura E Richards Plays for Young People Charles Way, 2017-07-05 Red Red Shoes was commissioned by the Unicorn Theatre for Children and The Place Based on the Hans Christian Andersen tale this play uses dance music and drama to explore the inner world of a traumatised child fleeing from war in Eastern Europe Ages 9 Eye of the Storm offers a contemporary version of Shakespeare s The Tempest exploring father daughter relationships and the need for independence Ages 12 Playing From the Heart commissioned by the Polka
